Dear Susie,

Now that I've finally graduated I still can't believe it. But when I look back I still relive all the fun we had and then I look ahead and see all the fun and happiness we have before us.

Susie, I pray to God that nothing will ever separate us because I love you beyond the love that Romeo bore Juliet. When I'm in the Navy I'll miss you very much but every chance I get I'll be home to see you, but if I don't get home I'll write and send you a little something to remind me of you.

I had more to write but figured it would be best to leave it alone. Susie I wish you all the happiness in the world and good luck in your senior year.

With all my love forever,
Dean

North Babylon Senior High School

North Babylon, New York

Published by the Senior Class

Our

Expanding

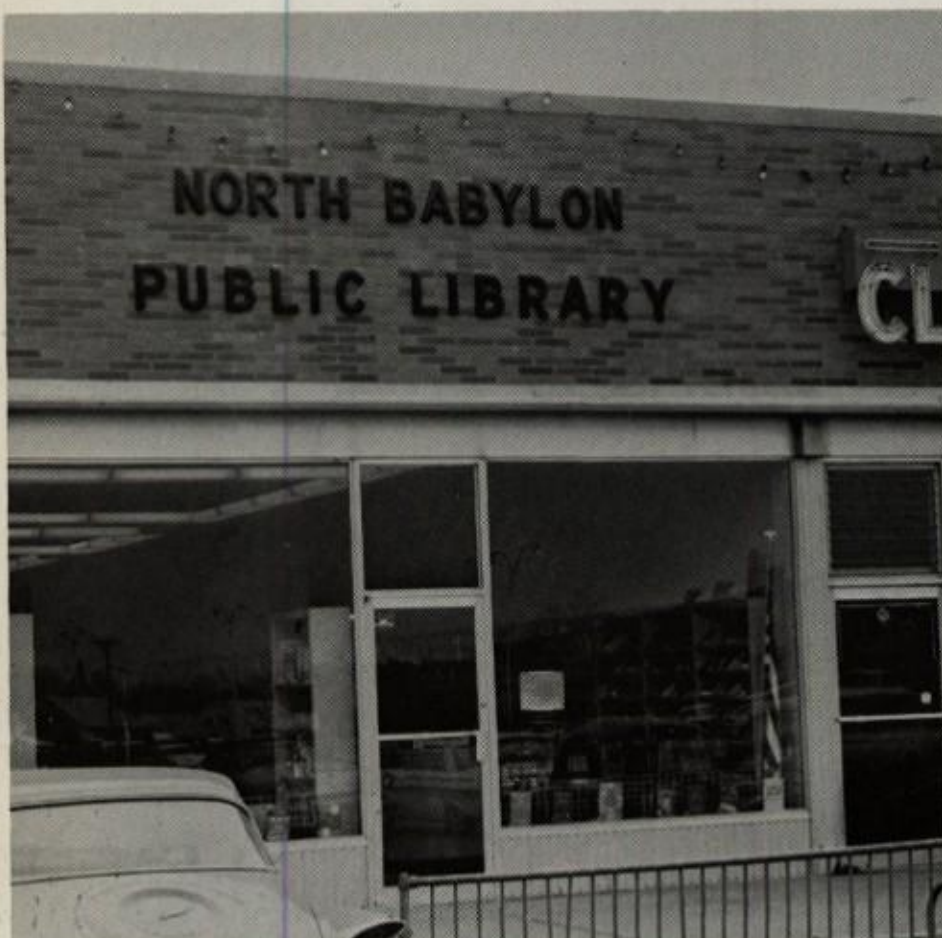

Community

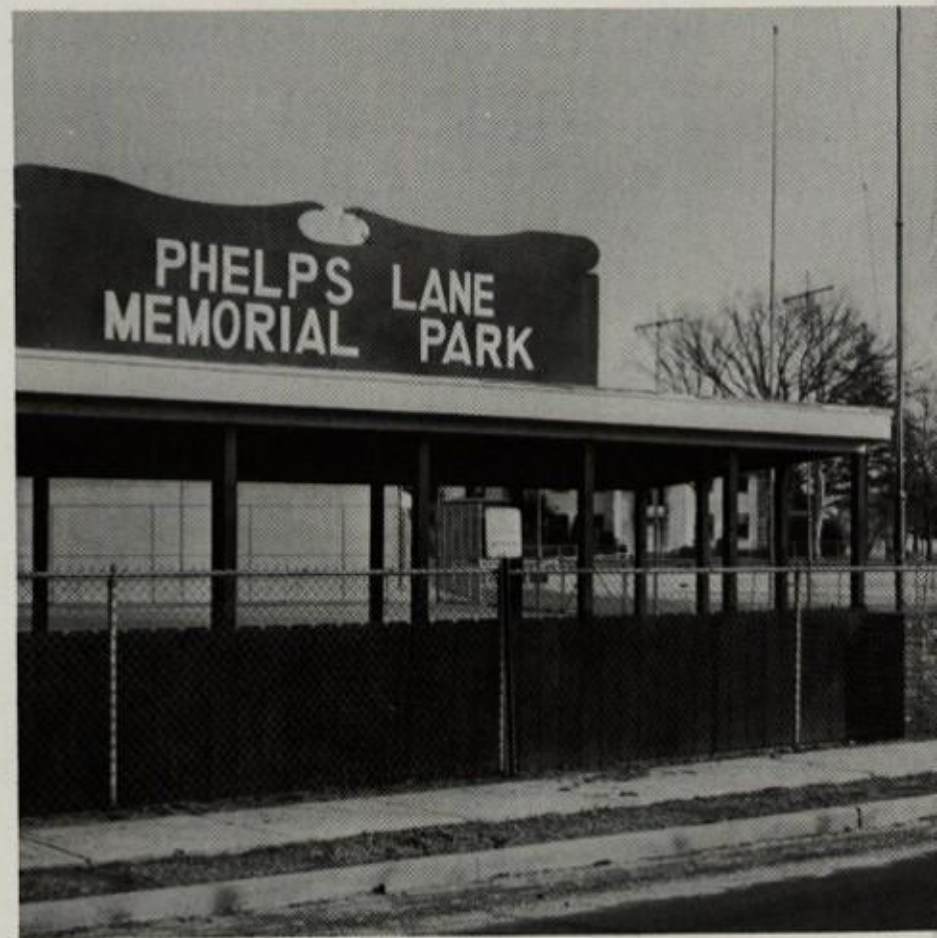

The Central Administration Building which regulates policy for our eight schools.

In the space of a very few years, North Babylon has evolved from a small cluster of shops and homes into a bustling, thriving community.

Proof of this new-found suburban sophistication can be seen in the public library, Phelps Lane Park, the Belmont Lake Junior High School—and in the atmosphere as a whole, an atmosphere composed of progress and awareness and a desire to make the very most of the opportunities at hand.

The North Babylon Public Library has acquired 14,000 volumes in its first year of operation.

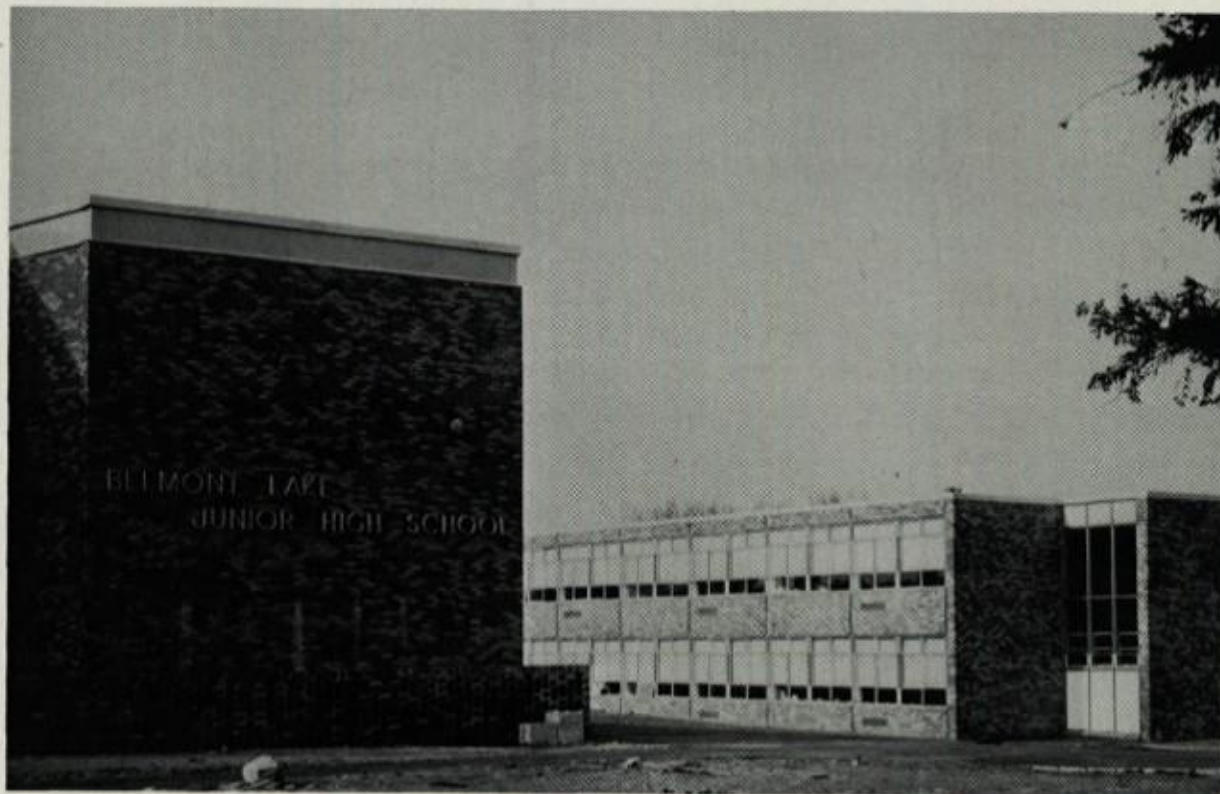

The Phelps Lane Memorial Park has proved to be a very popular addition to our town's recreational facilities.

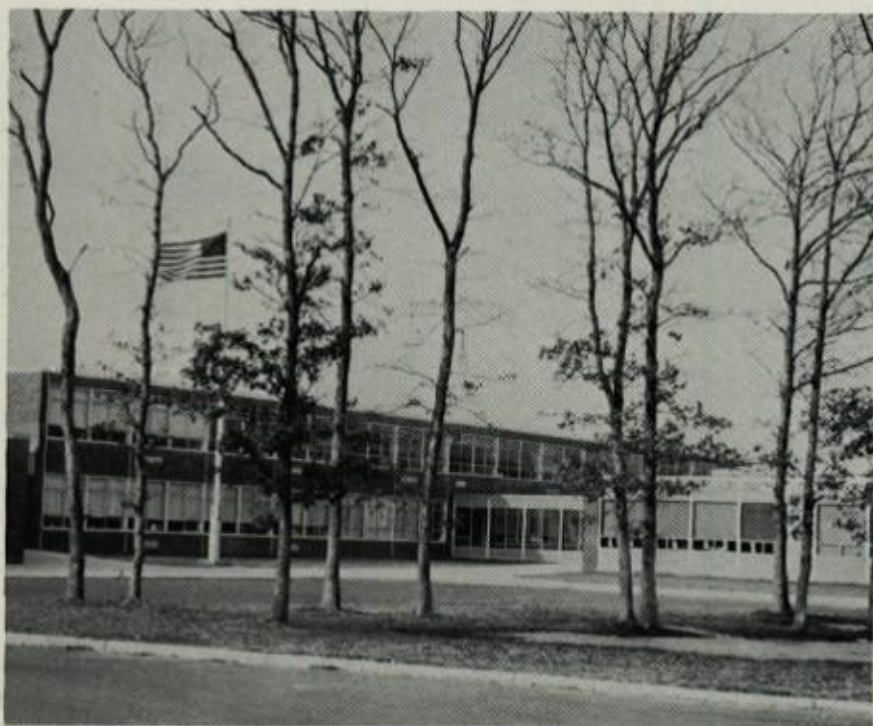

The Greenway Apartments exemplify the modern housing being built in our community.

One of the neat, attractive streets in our locality.

The Belmont Lake School, our newest Junior High, is in its first year of operation.

The Parliament Place School is the latest addition to the elementary part of our school system.

The Sunrise Federal Savings Bank is typical of the many fine new businesses in our area.

Foreword

The words of an Alma Mater should be an almost ineffable expression of truth and honor and knowledge and unity and growth. An Alma Mater should typify the atmosphere of a school, with a scope and depth and intensity that would be unattainable in prose. In so portraying the inner spirit of a high school, an Alma Mater reveals the widely divergent and yet harmonizing personalities of the students and the faculty.

Therefore we, in The Blazer of 1963, have endeavored to show the intimate and intricate relationship existing between the Alma Mater and our environment as we know it.

"Alma Mater"

The many years, the friends, these memories still new,

Will stay with us, though we may go far from you.

And we'll think about the laughter and the tears,

As we look back through the years.

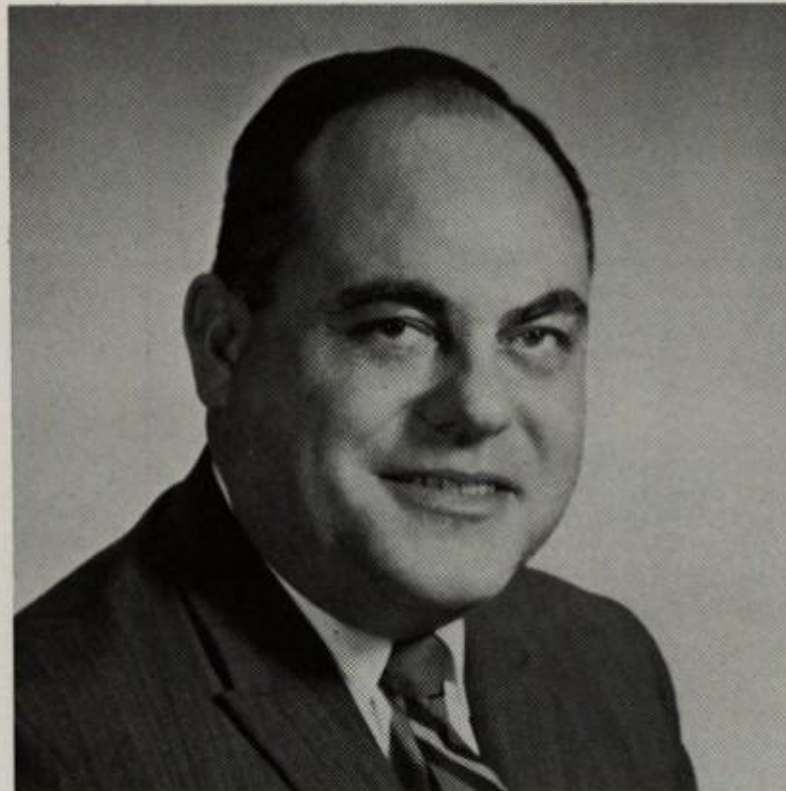

As we go to face the world unafraid

Through storms and trials you have given us your aid.

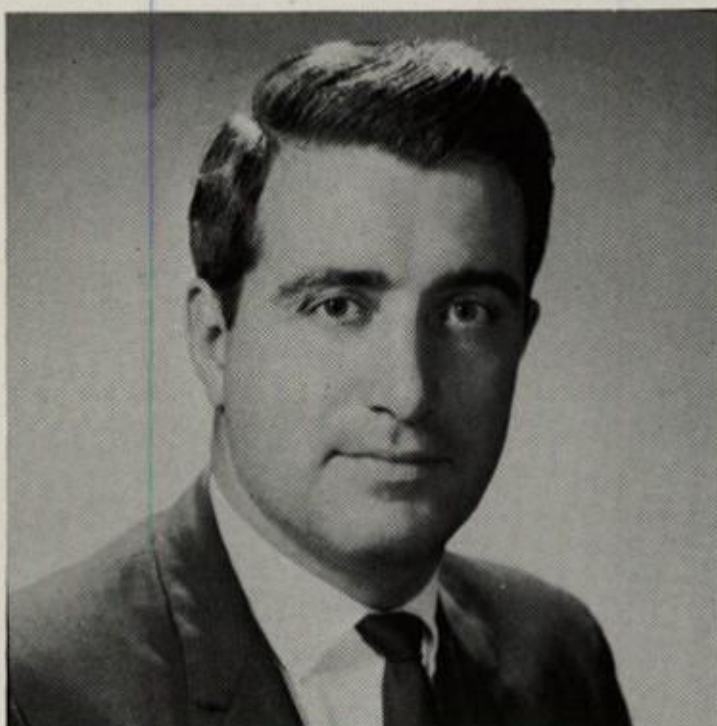

And we pledge this day our promise we'll hold true,

That we'll bring no shame to you.

Education

MRS. ROWENA SPADER

MR. EDWIN GROSS

Composed of a group of very dedicated people, this Board of Education has done much to aid students, teachers, and the entire North Babylon community. The members have striven so that our rapidly expanding schools could remain on full session, when in most other growing communities on Long Island this has become an impossibility. They have provided for our teachers working conditions which are pleasant and satisfying and have thereby gained for us the recognition and respect of other school systems. To community development, the Board of Education has added an excellent educational system and modern, attractive school buildings.

Above all, the Board of Education has always received our problems graciously and worked along with us in solving them prudently.

For these, and other actions too numerous to mention, we, the Class of 1963, wish especially to thank the Board of Education.

BOARD MEMBERS: *L-R, Standing:* Mr. Stewart Jonsson, Mr. John Powers, Mr. William DeLuca, Mr. Peter Brennan, Mr. Donald Long; *L-R, Seated:* Mrs. Margaret Heidinger, Mr. Edwin Gross, Mr. August Cinocchio, Mrs. Rowena Spader, Mr. Anthony Maffetone Jr.

Administration

Working in harmony with the Board of Education and the various school heads, the Central Administration endeavors to translate policies into concrete terms.

Mr. William E. DeLuca, Jr., new district principal, now heads this essential part of our educational system. He has served North Babylon for fourteen years in the capacity of educator, teacher, building principal, administrative assistant and assistant district principal. He is presently working on his doctoral dissertation, in addition to his duties as district principal.

Mr. Stewart Jonsson now fills the post of Assistant District Principal. As all of us remember, Mr. Jonsson was Senior High School Principal for six years, and brings to his new position twenty years of experience in the field of education.

Aided by a staff of proven merit, including Dr. Arthur Venezia, Director of Instructional Services, the Central Administration has continued to provide admirable service to both community and schools.

School Administration

MR. PATRICK KIRWAN
Principal

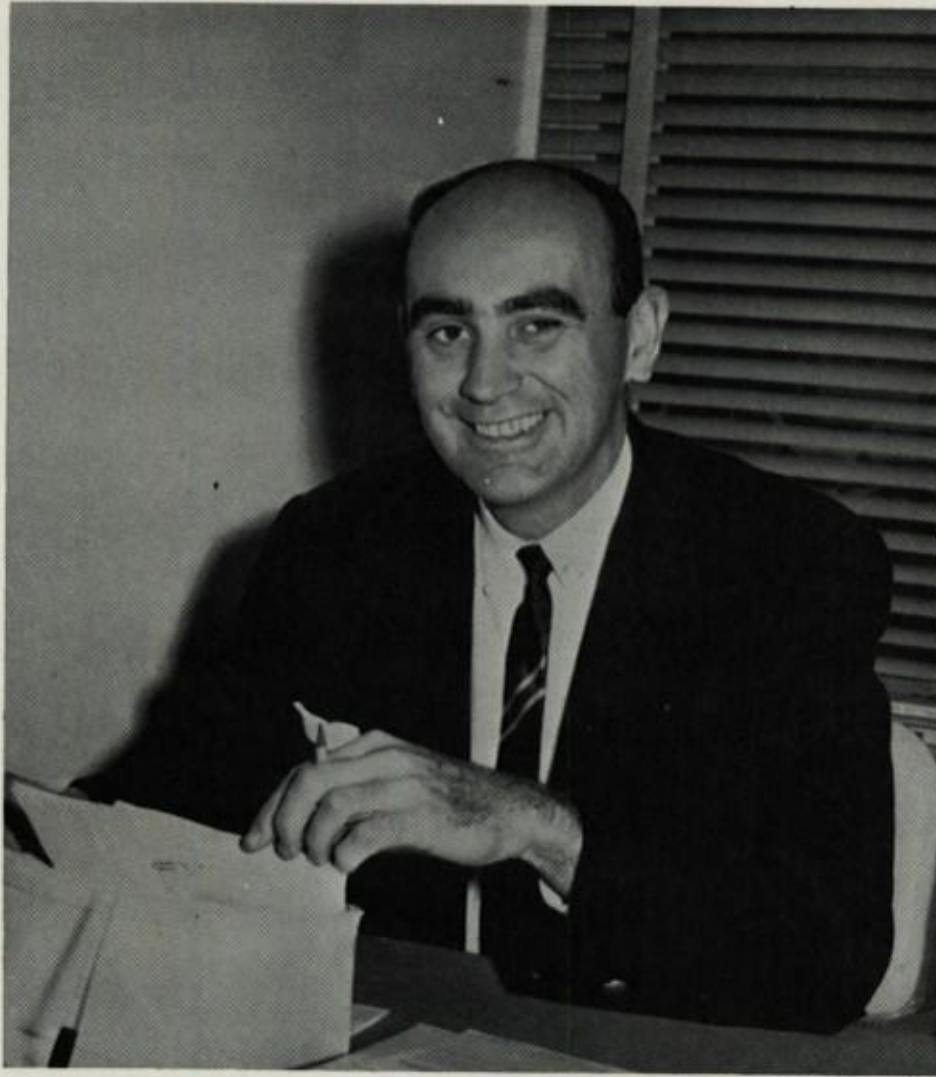

MISS JACQUELYN HOREY
Assistant Principal

With the appointment of Mr. Patrick W. Kirwan as Senior High School principal this year, the school has gained an able administrator, and we have re-acquired a wise counselor and sincere friend. With warm humor, strong example, and generous counsel he has helped us to become not only better students but better people as well.

Ably assisting Mr. Kirwan in his endeavors is Miss Jacquelyn Horey, another friend to all of us for the past three years. She, too, has contributed much to the development of North Babylon Senior High School and to making it the excellent school that it is. For such outstanding school administrators, we, the senior class, acknowledge our debt and gratitude.

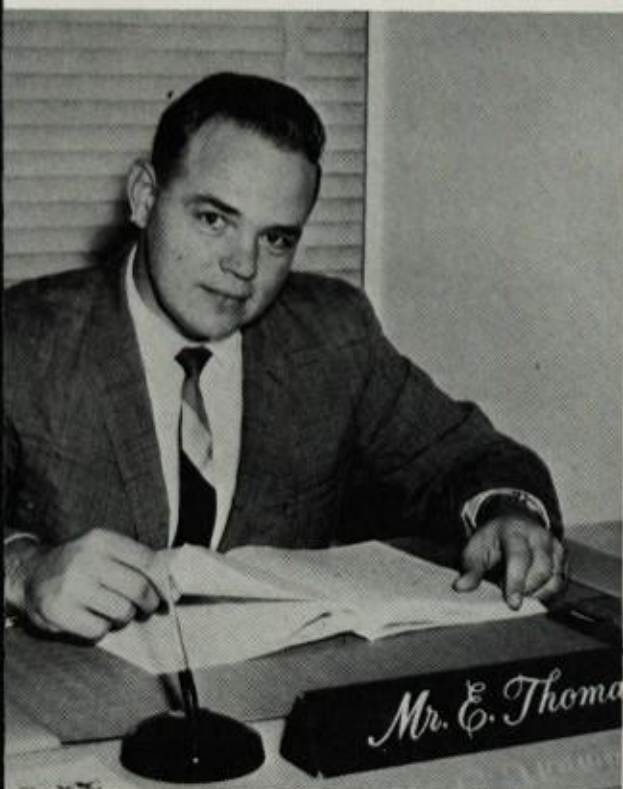

Guidance

MR. ROBERT MILLER
Senior Counselor

The Class of 1963 wishes to use this opportunity as a means of acknowledging the benefits and intangible aids which it has received from numerous sources. To no one person, however, are we more indebted than to our guidance counselor, Mr. Robert Miller.

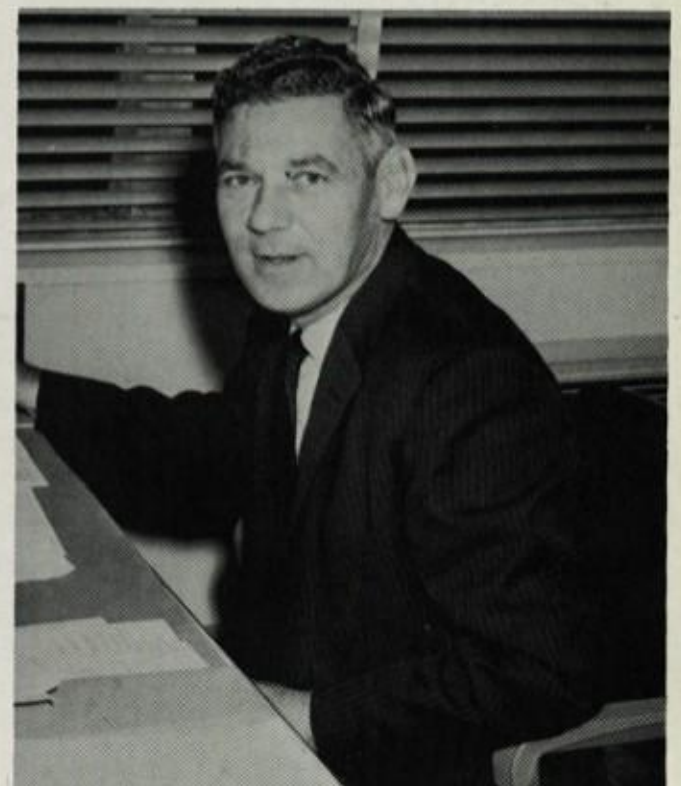

For the past three years Mr. Miller has advised, encouraged, and otherwise assisted us in the planning of our lives and careers, and for this do we thank him.

English

The English language is the means by which we communicate and express to others our needs, our ideas, and our inmost feelings. Without it most of us would be unable to secure jobs, find recreation, or even fall in love. It is also a way of teaching and learn-

ing the deeper meanings of life and all connected with it. By studying English, we are afforded the opportunity to read and discuss the beliefs and observations of some of the most profound thinkers of all time.

By studying Citizenship Education, we not only broaden our knowledge of our own country and other countries, but we help ourselves to become better citizens. For Citizenship Education is just that—the education of a citizen. Acquiring a knowledge of the system by which our government is organized enables us to compare it with the governments of other countries and seek means of improving it and reasons for cherishing it.

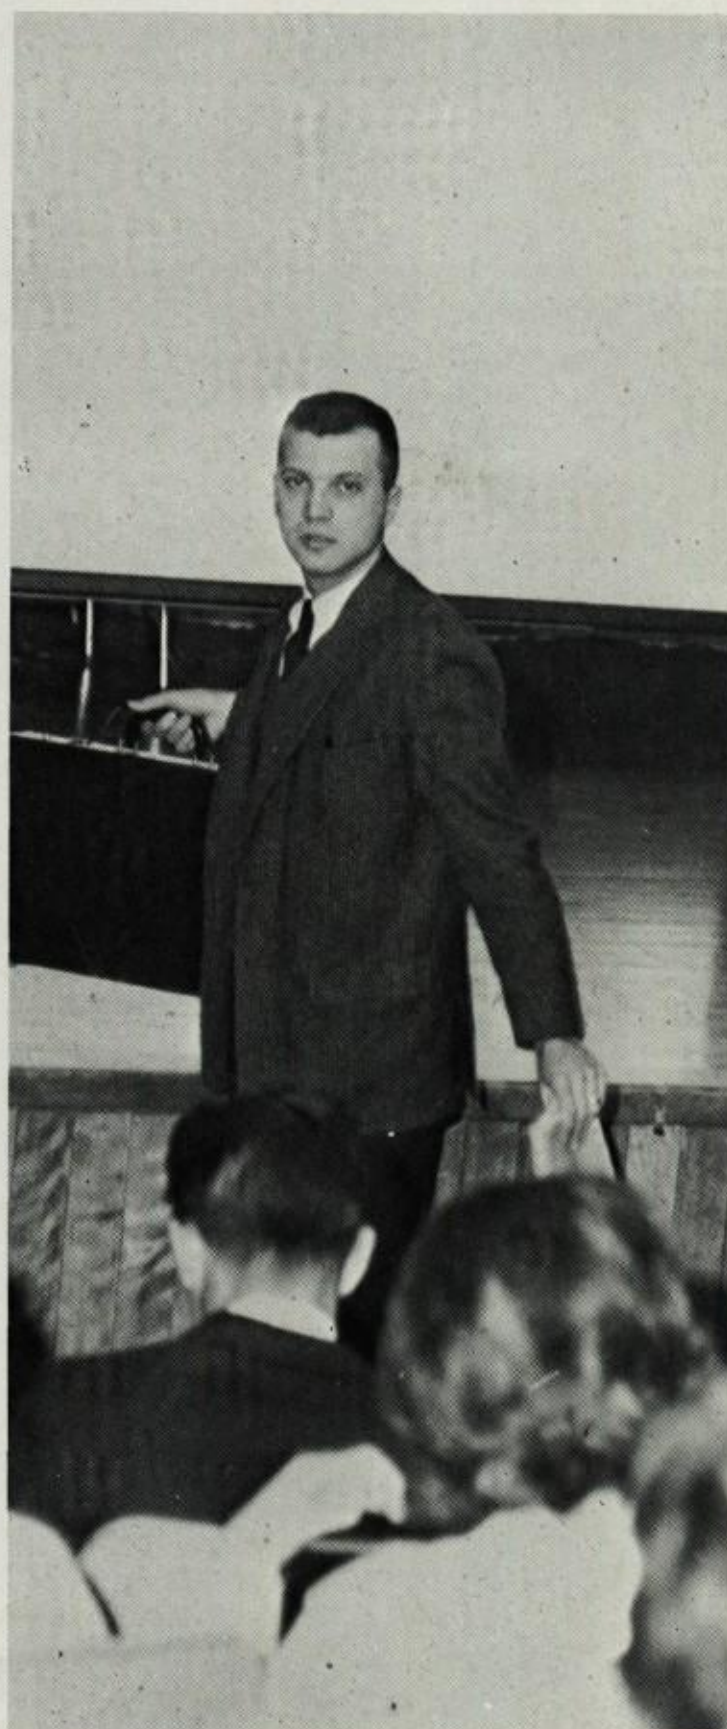

Among the electives offered by this department is the World Affairs and Economics class, under the leadership of Mr. Russman. The students in this class study important events of the day and the financial system of our country.

Science

Science helps one to answer the age old questions of "how?" and "why?" By studying Biology one examines and tries to understand the relationship between man and his environment. In Chemistry the composition of important minerals and chemicals necessary for everyday life is explored. Through Physics important mechanical concepts of science become clear.

Advanced Placement Biology was introduced in North Babylon High this year. Under the guidance of Mr. Smith, interested students in this course study the chemical aspects of biology with the chance of securing college credit or special placement if they are successful.

Mathematics

Although brevity of space prevents us from cataloguing all that is excellent in the mathematics department, certainly typical of its general high quality is the advanced placement mathematics class conducted by department chairman Mr. Nicholas Ambrosiano. Begun in the tenth grade as an experimental class composed of students whose interest in math made them willing to meet every morning prior to the regular school day, the present advanced class is just one more example of North Babylon High School's determination to serve all students by providing an enriched program whenever one is required.

Language

"To understand all is to forgive all."
If this is so, then certainly one of the greatest instruments for peace is acquiring mastery of a foreign language; for by this means one extends his sympathy to the people of at least one foreign nation. One learns not only how to speak their language, but also how to appreciate their customs and traditions. Such knowledge draws the world closer together by showing how we are all alike.

Business

More than just interesting are business courses; they prepare students for the world of commerce following directly after graduation. Students pursuing business courses are prepared for very popular and profitable careers as secretaries, buyers, bookkeepers, and merchandizers.

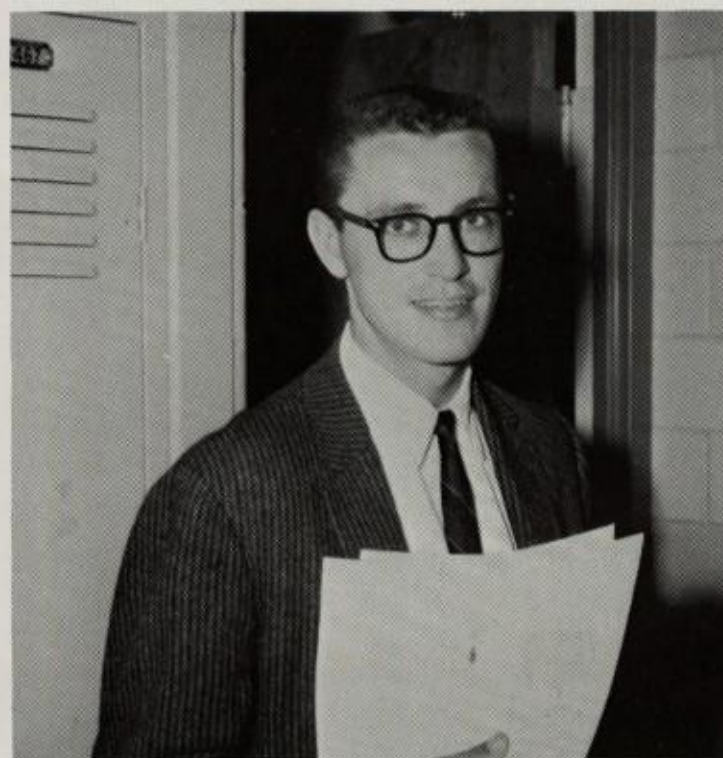

The business department also provides a service to the college-bound student by offering courses in notetaking and personal typing.

"One million and one, one million and two," Richard Zaleski and Robert Drago count as the football programs come hot off the press.

The courses offered by teachers pictured here range from the history of modern painting to the mechanical functioning of a car. Industrial Art prepares boys for employment beginning right after graduation. It also helps prepare boys who are interested in the further study of architecture and engineering, for pursuing careers in these fields.

Art helps many talented students to express themselves through painting, sculpture, and design. The work of these students often exhibited in the halls throughout the year is a steady source of enjoyment.

Driver Education teaches students not only how to drive a car properly, but how to become careful and courteous drivers as well.

Home Economics

If girls in home economics classes learn how to keep from sticking themselves when they are pinning up a hem, they also learn how to keep from getting "stuck" when they are choosing a dress or a hairstyle or a range or a rug or a roast. Chances are that the young men these damsels marry won't feel "stuck" either, since they'll be acquiring partners with domestic experience and skill.

In short these courses are designed not only to teach a girl all that is required to become a good wife and mother, but they assist her to become an assured, well-groomed lady as well.

Physical Education

Staffed by excellent instructors and equipped with the very finest facilities, North Babylon High has certainly made the sort of physical fitness advocated by President Kennedy possible for all of its students. Boasting both a fine interscholastic and varied intramural program, this school provides some form of mental refreshment and physical development for every student. Every aspect of these programs contributes to the attainment of the somewhat trite but incontrovertible classic maxim, "Sana mens, in sano corpore."

Special

Faculty members pictured here perform services without which the school would not be complete. All students enjoy our well-stocked library, the excellent performances of the band and choir, the services of the school nurse, and many other facilities rendered possible by the other people in this category.

Included in this general area is Dr. Jack Wanger, who this year introduced a course in Psychology. Students of Dr. Wanger will agree that Psychology is an extremely interesting and absorbing subject.

Parent-Teacher Association

The Parent-Teacher Association is an organization of which we are all very proud because of its wonderful work in binding home and school life together. The many scholastic and social events sponsored by the PTA throughout the year are enjoyed by both parents and students alike. Members of this association have an interest in both community and school activities. Every year the PTA gives hundreds of dollars in scholarships to graduating seniors, and for this and all the other things they do, we are very grateful.

Under the leadership of Diana Stoiber, ably assisted by Marie Cognetta, Lee Huffman, Jeff Moore, and Joan Esposito, the senior class has had an extremely rewarding year. It began with a resounding victory in the Junior-Senior Soccer game and continued with the adoption of a fourteen year old Korean girl and with the sale of Christmas cards. Senior Week came along in March with the Senior Dinner, and Turnabout Day, and rolled to its climax with the Senior Prom and, at long last, graduation.

MR. VINCENT J. COLOTTE

The willingness to listen, the desire to guide, the prudence to temper but not quench youthful enthusiasm; all these and more are the qualities of a successful class advisor.

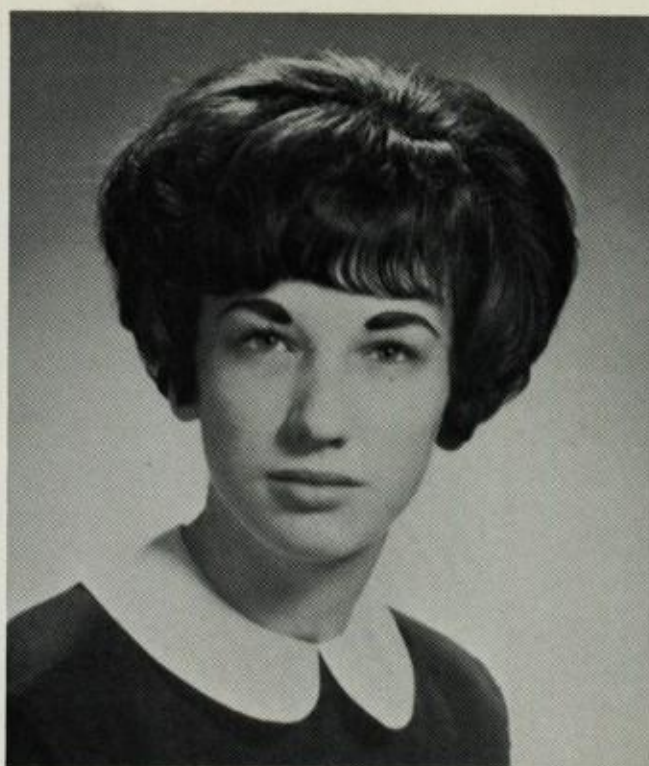

Mr. Vincent Colotti, our class advisor since the fall of 1961, has made full use of both his capabilities and those of the Class of 1963. Under his direction we won the Spirit Plaque as Juniors, thus demonstrating superb class and school spirit.

As advisor, Mr. Colotti has done an admirable job, and is deserving of a meed of praise in recognition of that fact. But our thanks go to Mr. Colotti not so much as an advisor as a friend.

The things you go through to play football!

It's a lot of hard work, but it's also a lot of fun. I remember the first time I played football, I was so nervous I couldn't even hold the ball. But after a few games, I started to enjoy it. It's a great way to stay in shape and make friends. I'll always remember the days I spent on the field.

IN MEMORIAM

THOMAS BERNITT 1946-1962

To us, he was fellow student, athlete, musician, friend. Like us, he shared the feeling of belonging to a wonderful class, and he participated enthusiastically in all of its activities. He was well-known and well-liked by his peers, recognized as an able student by his teachers.

In August of 1962 a tragic accident cut him off, abruptly and forever, from his senior year and the rest of his life. God rest him.

Senior History

FRESHMEN (1959-1960)

Wood smoke on an autumn afternoon at a football game—youthful, unrehearsed laughter echoing down a quiet hall—the frantic, blue-and white-splashed crowd at a basketball game, waving shakers and yelling cheers—a school sweater slung over someone's shoulder—all these and more, we knew, would come to us when we could call ourselves freshmen, and, more distant and hazy, the Class of 1963.

In the fall of 1959 these dreams were realized, and helping to make them so were Jack Edwards, our class president; Elsa Loth, vice president; Karen Hartmann, secretary; and Victor Ruggiero, treasurer, with the unobtrusive hand of Mr. Bartley Gallagher guiding the decisions.

We were the first freshman class to occupy that lofty position in the beautiful building that had figured so importantly in our conversation for over a year, and we set out to carve a place for ourselves as the best class ever to grace the name "freshman."

That year, for the first time, the Junior High School had its own newspaper, produced entirely for and by its own students. Staffers included Judy Bongiovanni, Richard Clements, Patricia Kennely, Janet Kuhn, Joan Maguire, and Ralph Notaristefano.

In the spring of 1960, the choir presented a sparkling production of Gilbert and Sullivan's comic operetta, *H.M.S. Pinafore*. Starred were Carol Borg, Ruthe Cooke, Les Jackson, Laura Josephs, Fred Kiefer, and Harold Shaver, backed up by a cast of no mean ability.

The march of time stops for no one, and this fact was brought home to us when it was time to plan for our freshman prom, "Silver Sands." Held on May 21, it was a magical interlude before the rush of exams.

And at last it came. On June 23, 1960, we graduated from the ninth grade.

SOPHOMORES (1960-1961)

The postcard received towards the beginning of September was greeted with disbelief and glee; we were now officially sophomores.

The initial incredulity transformed itself into a headlong rush to make the upperclassmen take heed of us, and we felt that a good start would be electing Elsa Loth president, Karen Hartmann vice president, Laura Josephs secretary, Tom Britt treasurer, and Joan Esposito S.A. Representative, with Mr. James Smyth as class advisor.

Our first major endeavor was the "Silver Bells" fund-raising dance held at the beginning of December, which netted a sizable amount for our class treasury.

The next project was the Sophomore Assembly. The top talent of the Class of '63 was viewed for the first time. Even blase seniors were vastly amused by the original spoof.

In mid-February we experienced for the first time the novelty of Spirit Week, and proved ourselves at least on a par with the upperclassmen.

March and April were soon over, May began the rush of reviewing for finals, and finally June arrived with the BLAZER, Regents, and the graduation of the class of 1961.

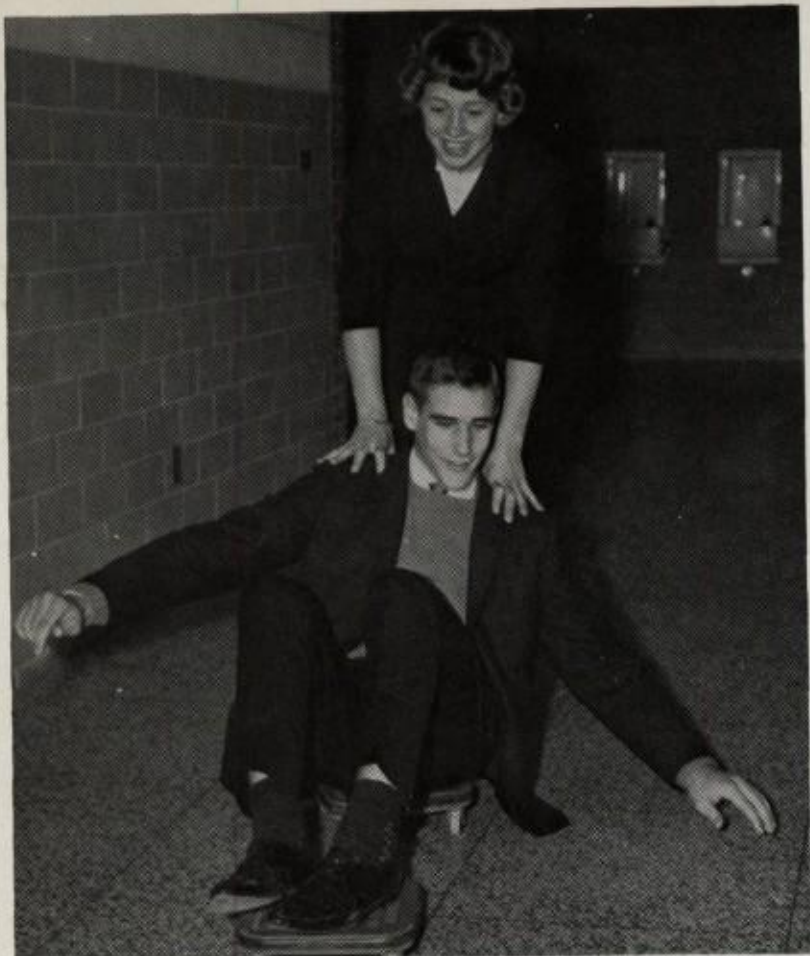

JUNIORS

Returning to school as exalted juniors and feeling exuberant at our new position, we chose Tom Britt for class president, Janice Albrecht for vice president, Barbara Dragonette for secretary, and Marie Cognetta for treasurer. Mr. Colotti joined us that fall as class advisor.

As juniors, we now exerted a noticeable influence, and, typically, used it to the fullest. Elsa Loth was elected to the Vice Presidency of the S.A., and we celebrated her victory as our own.

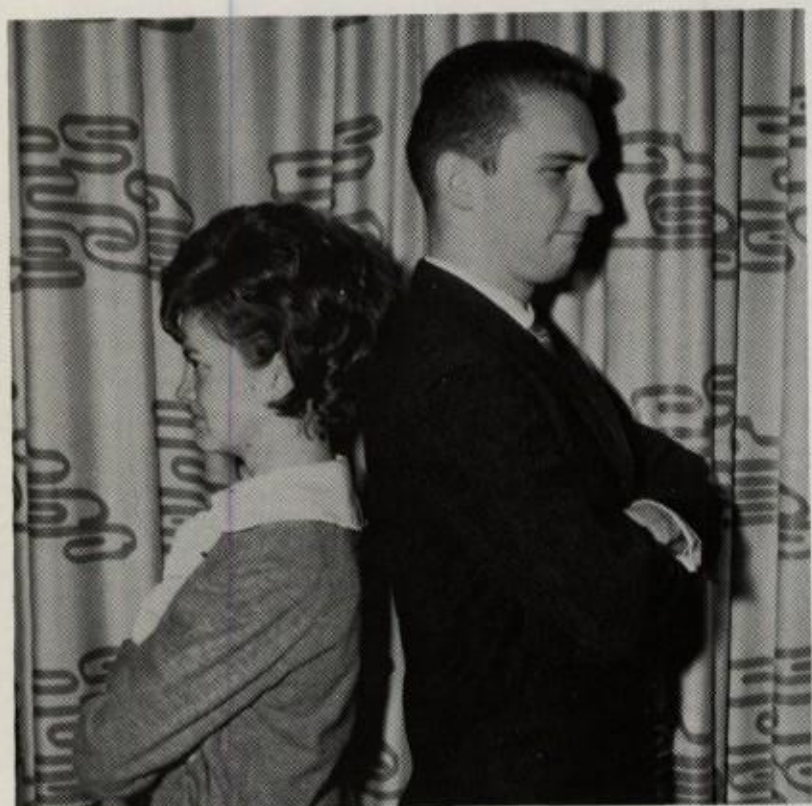

We followed up our challenge of the seniors to the traditional soccer match by humbling the mighty ones 6-4, and we were on our way to greater triumphs.

In November came the Magazine Drive. We surpassed the previous record, thereby gaining considerable funds for the treasury. Sam Moelius and Henry Brunjes were the top salesmen.

Senior Polls

Senior History (cont.)

On March 5, it was announced that we had won the 1962 Spirit Plaque, the first class to do so as juniors. This achievement provided occasion for much rejoicing and hilarity, and was one of the crowning events of the year.

Later on that same month, the Junior Review was presented and was received by both seniors and underclassmen with delighted and unrestrained glee. The unanimous praise was music to our ears, and we felt that we had paid just and deserved homage to the senior class.

In April, close to two hundred juniors and guests were transported to the City of Light, via "April in Paris," the annual Junior Prom. Taking place on April 14, the Prom was highlighted by the crowning of Mary Rose Beresford as Queen, with a royal court consisting of Elizabeth Healy, Norene McGee, Ileana Miller, Diana Stoiber, Naomi Velisek, and Florence Barbour.

On April 18, the highest scholastic accolade was bestowed upon twelve juniors, induction into the National Honor Society. Dorothy Ames, Marylynn Blowes, Judy Bongiovanni, William Haiby, Patricia Kennely, Joan Maguire, William Marino, Richard Meyer, Victor Ruggiero, Harold Shaver, Mark Spelman and Charles Wildner were those who were granted this signal honor.

June arrived with its usual accompaniment of exams, relief and the yearbook, and we offered congratulations and a warm farewell to the members of the Class of 1962 as they left North Babylon as alumni.

SENIORS (1962-1963)

The most momentous year of our lives thus far began in earnest for us when we voted Diana Stoiber, Marie Cognetta, Lee Huffman, Jeff Moore, and Joan Esposito to be the officers of the Senior Class.

The complete newness made itself felt almost immediately with the appointment of Mr. Patrick Kirwan as our new Principal. This constituted a reunion for Mr. Kirwan and the members of the Class of 1963, as well as for the rest of the student body.

Torrential activity descended upon us without delay; S.A. President Elsa Loth, *Blazer* Editor-in-chief Joan Maguire, and *Growler* Editor-in-chief Judy Bongiovanni were instrumental in keeping things on an even keel.

Making history at North Babylon in the fall of 1962 was Pat Dyer, first Football Queen. Pat's eminently successful reign enhanced the enthusiasm and spirit which accentuated the '63 football season.

October 3 was a red-letter day, even in a year that would be filled with them. We received our senior rings, and for the next week, members of the senior class were observed rapturously gazing at their hands in transports of awe, delight, or disbelief, as the case may be.

Shortly after that, the Annual Junior-Senior Soccer Game was held, and for the second straight year we soundly trounced the opposition, this time by a score of 6-2.

The Car Wash, held on November 2 and 4, served to raise funds for the senior treasury, and, as usual, proved a grand success.

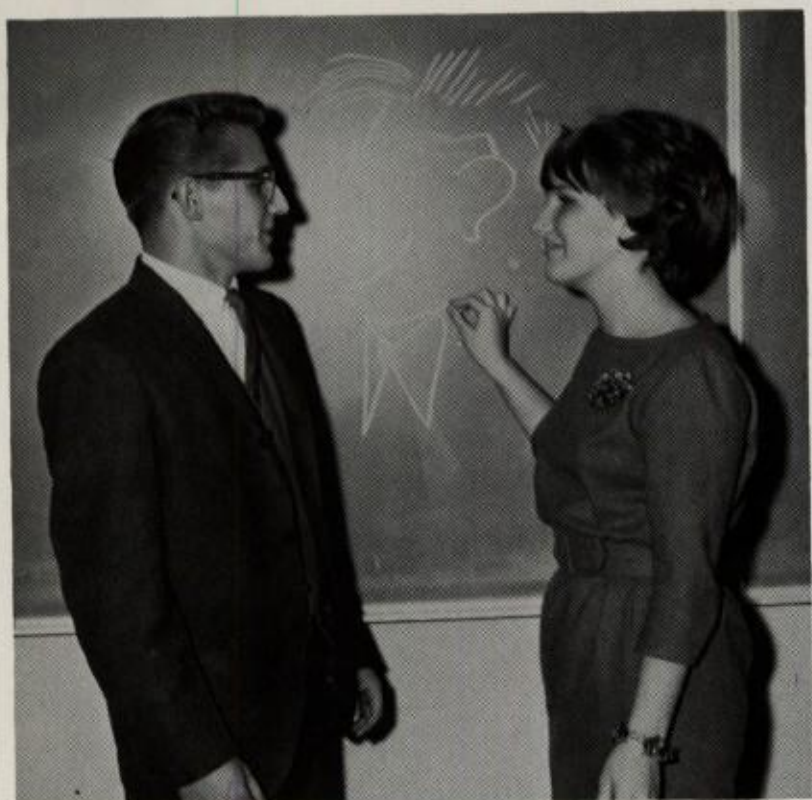

Under the guidance of Mr. Colotti, we adopted a Korean girl. Cho Soon Ae was aided in completing her education by us, in addition to being provided with food and clothing.

On November 21, Daniel Bruce, Joseph DeLuca, Betty-Jane Humes, and Jo Ann Latsch were inducted into the National Honor Society at the Annual Fall Induction.

In March we finally became participants in Senior Week rather than onlookers. The usual privileges were extended to us, in addition to several new ones. The Junior Review was a delightful lark, and the Senior Dinner at the Huntington Towne House was successful even beyond our expectations. The reading of the class will, the hilarity of Turn-About Day, and our winning the spirit plaque for the second time climaxed this wonderful week.

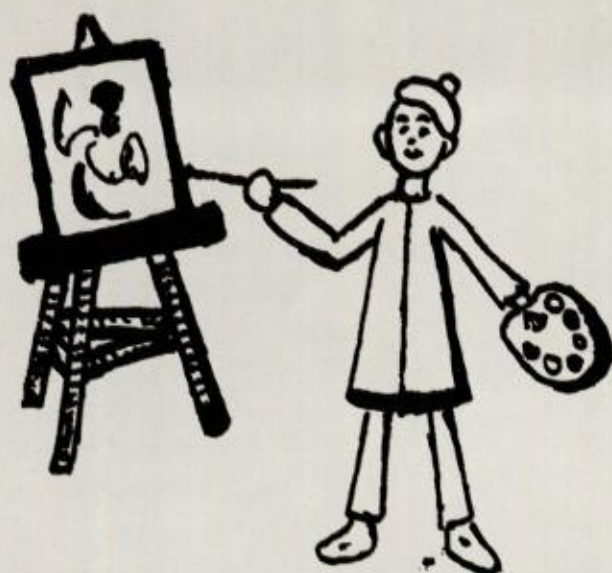

May 31 was far and away the pinnacle of the year, the night of the long awaited Senior Prom. Held at the magnificent Four Seasons, the Prom was the delightful climax to our high school years.

The afternoon of June 23 marked the end of our careers as students of North Babylon High School. In one of the most moving ceremonies of our lives, we graduated from this school, marking a beginning as well as an end to that which we had known.

Juniors

Under the leadership of Sue Morris, the Class of 1964 has had an exciting and rewarding year. In November, an astoundingly successful Magazine Drive swept all previous records off the books, with a grand total of over \$8,000. During Senior Week, the Junior Review provided a delightful diversion for the entire school and a fitting tribute to the senior class. Held in April, the annual Junior Prom proved to be an enchanting climax to the juniors' social calendar. Starting this year, the long-awaited class rings were distributed to the Juniors, thus setting off a wonderful year.

Junior Class officers, Sue Morris, Janice Chliviny, Bob Lai, Tommy Cramer, and Lynne Sterler, preside over discussion of Junior Review.

The leaders of '65: Joanne LoCastro, S.A. Representative; Michael Robilotto, Treasurer; Jim DiCamillo, President; John DiCamillo, Vice-President; Miss Woycichowsky, Class Advisor; and Ginger Campolungo, Secretary.

Sophomores

With some five hundred students swelling its ranks, the sophomore class was by far the largest class in school. Soph activities were off to a flying start as, headed by President James DiCamillo, the sale of Christmas wrappings, tape, ribbons and corsages was successfully inaugurated.

On December 14, a sparkling seasonal dance paved their way to winter and added greatly to their treasury. The sophomore assembly served to introduce the sophs to the upperclassmen through entertainment. When the year was concluded, the class of '65 could look back proudly on a full record of achievements.

S.A. officers are, (Left to Right) Nancy Scoca, Secretary; Elsa Loth, President; Robert Quintero, Vice President; Robert Cassidy, Treasurer.

Student

The S.A., guided by Mr. Vanslette, and with Miss Thornhill as faculty treasurer, is the keystone of all school activities. By means of elected officers and representatives, it serves as mediator between the student body and the administration.

In addition to the usual Sock Hops, the dances, Spirit Week, the Spirit Plaque, and the other fringe benefits of high school life provided by the S.A., a highly successful Leadership Conference was attended by representatives from various other Nassau and Suffolk high schools, who came prepared to discuss their own organizations, athletic programs, and academic facilities.

All these things, however, are but instruments designed to carry out the true purpose of the S.A., which is to foster school spirit in the students of North Babylon and to encourage it by all possible means.

S.A. Representatives: (Front Row, Left to Right) V. Campalungo, D. Curasi, J. Cavuto, L. Russo, J. Quaranta, W. Dunton, E. Kiewra; (Second Row) J. Locastro, M. Regan, P. DeVita, R. Zipkis, W. A school's yearbook is a meticulously-planned, carefully compiled record of a school year and the students who helped to make it what it was. A theme that has a deeply felt effect on the student body, descriptions and photographs to chronicle life at North Babylon as it was during the year 1962-1963—and a presentation to show them to the best possible advantage: these things, along with a tremendous amount of exacting labor, are what have made the BLAZER the fine publication that it is.

Coordinating the efforts of section editors and staff were Editor-in-chief Joan Maguire and faculty advisor Mr. Sullivan. Under their capable guidance, the talents and resources of the many who gave up so much free time so that the 1963 BLAZER would be a success, were directed into the most productive channels.

GROW

MR. MICHAEL ANDREWS, Advisor

The GROWLER rounded out its seventh year of publication this June of 1963, and general opinion is that the year was one of its best.

Mr. Andrews, a new member of the faculty, gave liberally of his college experience as a journalist in the position of faculty advisor, and Editor-in-chief Judy Bongiovanni successfully coped with the many problems of getting out a newspaper on schedule.

The PINES

North Babylon's literary magazine, THE PINES, has introduced a number of innovations this year, improving the tone of the publication as a forum for creativity. Photographs of editors, staff, and contributors, a separate art section, and printing done by the school's new offset press are among the changes, and student opinion has pronounced them to be effective.

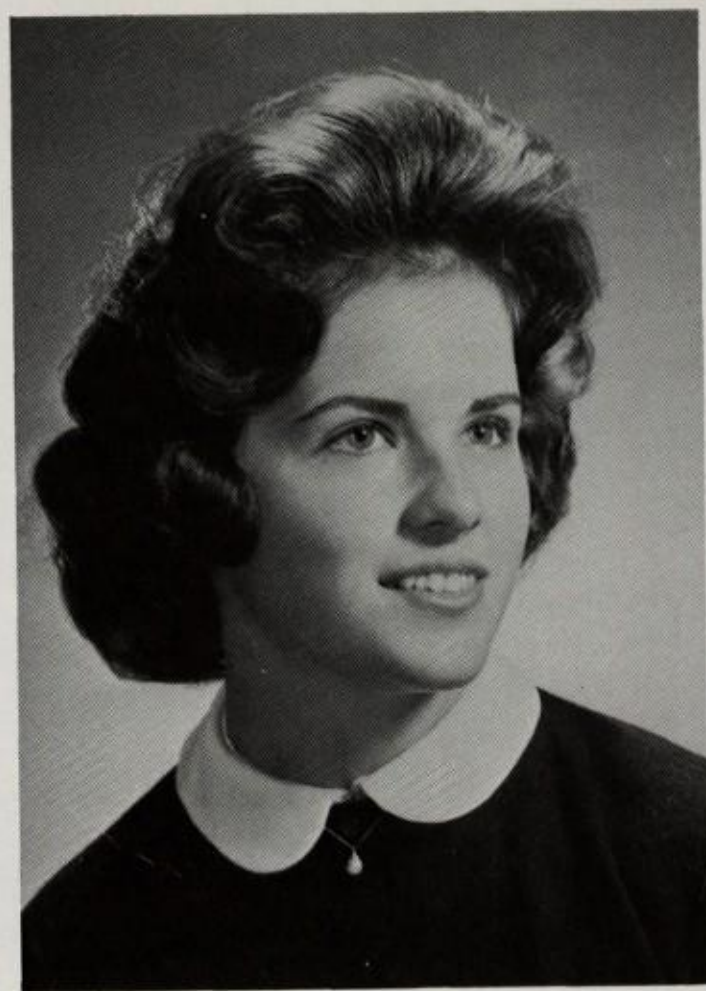

Under the direction of Editor-in-chief Patricia Kenneley, with faculty advisors Mr. Vincent Gorgone and Mrs. Ann Cunningham, providing supervision, THE PINES has made rapid strides toward its hoped-for goal of becoming professional in appearance and content.

PAT KENNELY,
S.A. Representative

The highest accolade that can be given to a high school student is membership in the National Honor Society. Students who satisfy the criteria of scholarship, character, leadership, and service are formally inducted into membership at either of two solemn and impressive ceremonies held in the fall and in the spring of each year.

This year, in addition to conducting the annual ceremonies, the North Babylon Chapter of the National Honor Society served as host for delegates from a large number of Suffolk County chapters at a luncheon held at the Southward-Ho Country Club. Two prosperous cake sales helped put on the Senior-Alumni Christmas Dance and finance a trip to New York to see a musical and have dinner at one of the city's better restaurants.

Soon after the final deadline of The BLAZER, the spring induction was held, at which juniors as well as seniors were granted membership. To those students, although it is impossible to include their pictures, tribute should nevertheless be paid for achieving this signal honor.

Seniors chosen for the honor were: Theresa Artaserse, Mary Burke, Leslie Jackson, Carolene Kuczkowski, Ruby Wheeler, Eleanor Winkler, and Frances Culotta.

The juniors who earned the distinction were: Margaret Bannard, Marie Brunkhorst, Amielia Cariello, Robert Cassidy, Edward Cordes, Anne Eppig, Howard Green, Rachela Guercio, Marilyn Mincey, Susan Morris, Sheila Predmore, William Prin, Mike Rizzo and Suzanne Vardon.

Future Nurse

MRS. DOROTHY SAXTON

President Priscilla Venti reviews notes taken at previous meeting by Secretary Ellen Zombek.

The Future Nurses Club has as its goal the common instruction and enlightenment of those girls in the Senior High School who have decided to become nurses.

In order to further this objective, trips are often taken to nearby hospitals, where valuable practical information is secured first-hand.

Films on the various branches of nursing are shown and lectures by professionals in the field of medicine are given.

Under the guidance of Mrs. Saxton, members of the club are instructed fully in the duties of nursing, one of the most demanding jobs in the world, but also one of the most rewarding.

Club members include L-R—First Row: P. Fischer, G. Martin, M. Klevinskas, A. Maiorini, H. Kunze, G. Hoffman, S. Lagone, M. Maloni; Second Row: J. Frank, M. Rizzo, P. Flood, J. Quartarero, A. Future Teachers of America

The Future Teachers Club was established this year under the direction of Mr. John Notheis. Through guest speakers and field trips, the club will attempt to acquaint its members who plan to become teachers with the many phases of education.

Among the planned activities were classroom visitations to acquaint the members with teaching techniques and the selling of school pins to defray the cost of field trips.

Members: *First Row, L-R:* P. Fisher, L. Risola, H. Scoca, B. Seidel; *Second Row, L-R:* M. Mincey, J. Sander, S. Simms, E. Moran; *Third Row, L-R:* G. Martin, G. Wolfort, T. Seigel, P. Bell; *Last Row, L-R:* J. Morrow, L. Scarabino, D. Koprowski, E. Loth, E. Winkler, M. Hempson.

Future Business Leaders of America

The F.B.L.A., as it is commonly called, is an organization for those students who intend to go into the field of business on completion of their educational training.

Members of this club headed by Miss Mary Ann Woycichowsky serve as ushers at concerts and dramatic productions, as well as taking charge of the preparing and selling of tickets.

It is hoped that the experience gained by members of the F.B.L.A. will be of great use to them when they enter the business world in earnest.

Math Team

Mr. Nicholas Ambrosiano, Math Club advisor, uses graph to illustrate a concept.

Roger La Rose, Jim Larsen and Mark Spelman carefully check completed problem to make sure it is correct.

Under the guidance of Mr. Nicholas Ambrosiano, a number of North Babylon's astute mathematicians have been brought together to form the nucleus of the Math Team.

The students belonging to the Math Team compete in interscholastic meets in which points are given for the number of problems correctly solved by each school in a limited amount of time. North Babylon has performed remarkably well in competitions of this type, and will assuredly continue to do so in future years.

L-R: J. DeLuca, S. Vardon, E. Shanks, D. Peters, J. Stein, E. Cordes, S. Predmore, R. LaRose, M. Spelman, J. Larsen.

MR. RUSSEL CAMARDA, Advisor

Although it does not function as a regularly scheduled activity, the Oratorical society under Mr. Russel Camarda's direction has for the past four years prepared students for the annual American Legion sponsored oratorical contest. The effects of this activity do not stop with the few students to whom it gives an opportunity to prepare and deliver a formal speech but extend rather to the whole student body since it is another means of stimulating interest in history and an emotional appeal to a fuller appreciation of our priceless American heritage.

Science Research Club

A new organization in North Babylon this year is the Science Research Club. Headed by Mr. Raymond Kobielski, some students belonging to it researched for the project "The Determination of the Terminal Amino Acid of a Protein," while other students under Mr. Mahoney did work on "Studies in Protozoology."

These scientific endeavors were presented to the Scientific Congress of the Seminar in Science Projects, offered by the renowned Waldemar Medical Research Foundation.

The students involved did a commendable job on their projects and sacrificed a great deal of their free time in order to achieve this end.

Sitting in a darkened auditorium several nights before Christmas listening to the magnificent holiday music emanating from the orchestra pit is one of the finest ways to appreciate the talents of the Senior High School Band.

Versatile enough to slip with practiced ease from Beethoven to Basie, the band has been brought to this peak of musicianship by Mr. Hamor, band director for the past two years. The band has also been fortunate in having such distinguished musicians as Robert Quintero, trombonist, and Lorraine Michels, saxophonist, both of whom were selected to participate in the All-Eastern Orchestra, a truly worthy achievement.

Unhampered by either lack of suitable selections or lack of talent, the band performs at football games, pep rallies, concerts, assemblies, musical comedies, parades, and the annual commencement exercises. It is the opinion of the entire community that the students who comprise the band are a credit to both their school and to their art.

Twirlers include, *L-R*: Camille Ribaud, Ann Schlosser, Marsha Turchuk—Captain, Nannette Conigliaro—Head Majorette, Elaine Eustace, Phyllis Brown, Charlene Schmidt.

The '63 Varsity Cheerleading squad showed "spirit, pep, and fight" throughout the football and basketball seasons. It is a cheerleader's purpose to show enthusiasm for the team and to arouse the same excitement in the spectators during every game. Because of this, no gridiron or court games were dull; these cheerers along with hard playing teams and spirited crowds made N.B.'s sport year one to remember.

In order to develop more school spirit, and to develop interest in our football team, a new tradition was begun in N.B. this year. Pat Dyer became our first football queen and reigned successfully and with serene grace over the entire football season.

Sharing in the honors in the contest that was open only to Seniors were Barbara Dragonnette, Vicki Fox, JoAnne Latsch, Karen Hartmann, Marsha Turchuk, Elsa Loth, Bobette Boehm, Gail VanBuskirk, and Mary Burke.

Girls' Leaders Club

The Girls' Leaders Club is an organization designed for those girls who are outstanding in both athletics and leadership.

President Karen Hartmann, Vice President Lorraine Michels, Secretary Marilyn Mincey, Treasurer Dottie Ames, and S.A. Representative Judy Bongiovanni regulate the activities of the club.

The Leaders sell refreshments at home football and basketball games, assist in gym classes, take statistics at basketball games, and participate in a minimum of three sports per year.

The chief reward of belonging to an organization like the Leaders Club, however, is the feeling that one receives from knowing that one has done something to increase school spirit and athletic proficiency in the school.

Varsity Club officers, Mark Spelman, Richard Jesaitis, Jeff Moore and Bob Casazza check agenda before important meeting.

The Varsity Club, in its second year of existence, was established to provide a social and athletic organization for boys who have achieved a varsity letter in one or more sports.

Members of the club serve as hosts at athletic events and ushers at school affairs. They also sell programs at home football and basketball games. The Club has taken field trips to see professional athletic contests in several sports.

The boys who belong to the Varsity Club are to be commended for their high achievement of physical strength and muscular coordination as applied to athletics.

Football

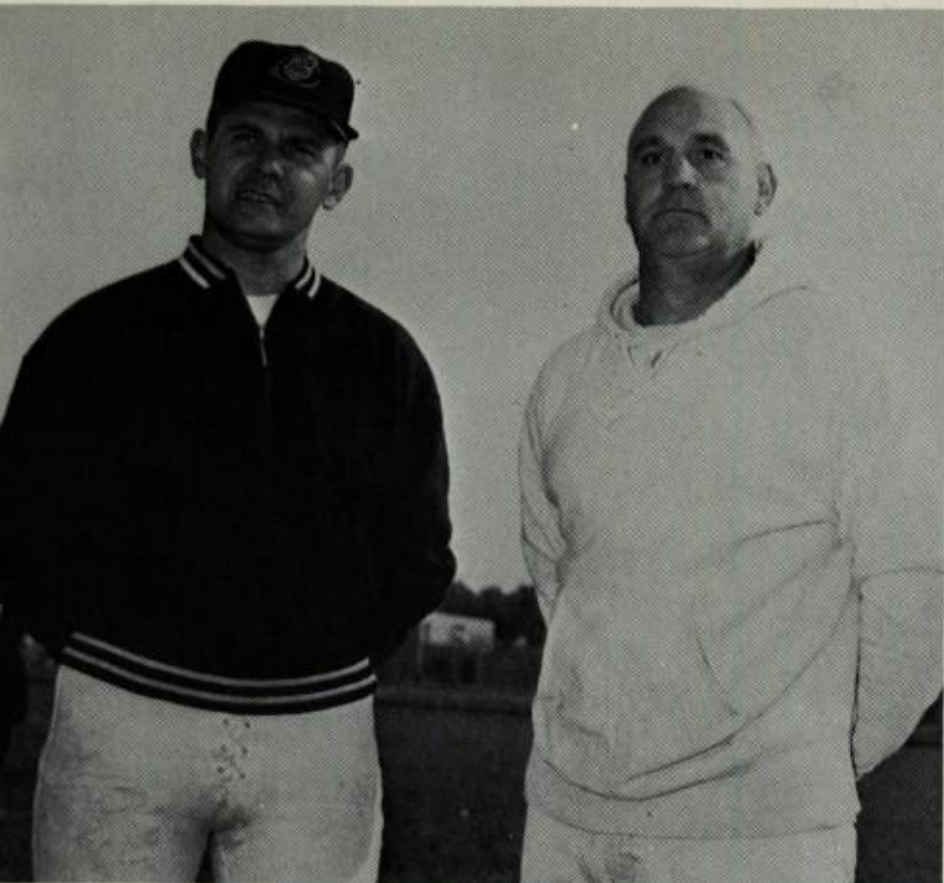

If one were to go only by the record, the '62 football season was again not a bit impressive. However, if one were to examine it closely from the point of view of the function of high school sports, it was an outstanding success. "Breakfast with Kelly" did more than just nourish the pre-game appetites of an unusually large squad of high school gridmen. It transformed a prevailing sickly spirit into a vibrant and strong enthusiasm. UPSET was not only considered just a seasonal slogan but rather a driving force behind the team's efforts. It inspired co-captains Casazza and Pisano and also such seniors as Fleming, Wolfort, Jesaitis, Giglio and Moore to many aggressive performances.

Throughout the season the Bulldogs lost many close, hard-fought games, ending the season with such scores as 21-25, 14-27, 6-19, 14-18, against Sachem, Lindenhurst, Brentwood and West Islip. The '62 season will be remembered as the beginning of NB's determined fight in varsity football.

Under the coaching of Mr. Roland Cartier the J.V. ended its season with one win, six losses and one tie. The season's victory was a shut out against West Islip; there were also other close games played against Port Jefferson, South Huntington and Sachem. The strong support from the juniors and sophomores makes next year's Varsity and J.V. prospects very bright.

Soccer

North Babylon's Booters concluded their fourth year of varsity competition with determination and the will to win. The team won five games, lost five and tied one. The tie against Brentwood was accomplished when the Booters with thirty seconds of the last quarter left to play scored a two point goal. Such seniors as Jones, Frantzen and La Rose were supported by juniors of great potential such as Middleton, Cassidy, Montgomery, Dyrland, Costello, Bonasera and Wolf. The sophomores also played a big part in making the season the success that it was.

Ronnie Suga earned a position on the First String All-Scholastic team. Mike Weiner was the team's top scorer with ten points. Hans Roesch was elected to the All-Scholastic Second String as were Jim Montgomery and Bob Dyrland.

The J.V. season ended with five wins, seven losses and one tie. Despite the season's record, the number of points scored against North Babylon was surprisingly small. This can be credited to Tony Deluca whose expert guarding of the goal chalked up four shut outs for N.B.; others like Shanks, Rizzo and Thompson also proved to be very capable players.

M. Spelman, D. O'Neil and T. Gazzo show the form which won the team the second place in the state.

In addition to ability the requirements of a good team are spirit, leadership and experience which can only be acquired by time. For the past six years the North Babylon Harriers have been under the expert coaching of Mr. Frank Manhardt. The years he has spent in developing the Harriers proved to be a worthwhile endeavor which made the '62 season a tribute to their perseverance and ability.

On November 2nd the Hill and Dalers brought its first major sport county championship to North Babylon capturing the Class A Championship by taking four out of the first five places.

Mr. F. Manhardt, G. Knockenhauer, T. Torma, A. Reimer, R. Gabriel, C. Borg, T. Gazzo, R. Francis placed in State Championships at Watertown, New York.

On November 10th the team placed second losing to Colonie High of Albany by only nine points in the State Championships held at Watertown, New York. Tom Gazzo placed second only seven seconds behind the first place winner.

In all fairness no individual on the team can be pointed out as its star member; every member of the team proved to be outstanding in '62.

Gymnastics

North Babylon's continuously growing athletic program has added Gymnastics to its list of winter sports. Developed from an intramural form the newly organized team is competing in a novice league with such schools as Commack, Lindenhurst and West Babylon.

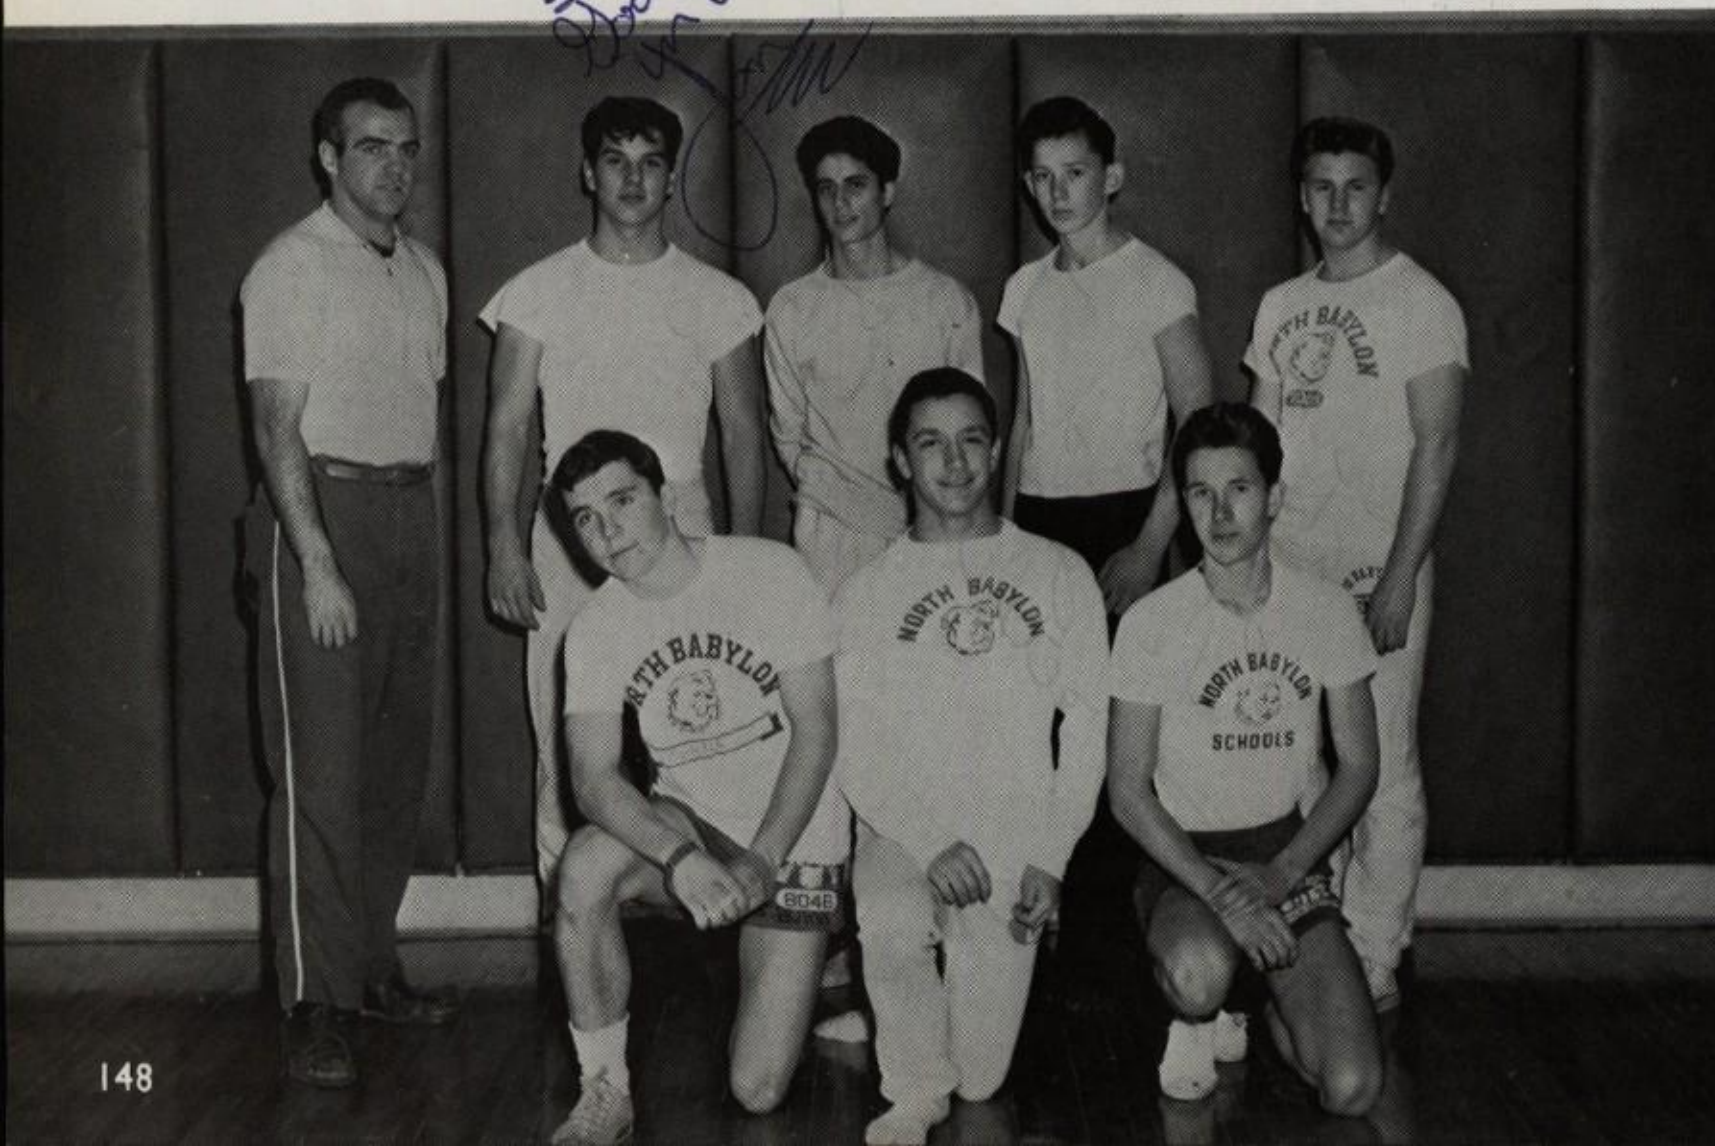

Gymnastics is an individual sport which requires strength, agility and coordination. It includes eight competitive events: the parallel bars, the horizontal bar, the still rings, the side horse, the long horse, the vault, the ropes and the free exercise.

Under Mr. Arthur Mac Farland's direction, the team won three out of eight meets. Exceptional performances from Joe DeLuca, Dan DeVita, Mike Burns, Jack Christman and Mike Robilotto have increased enthusiasm for the sport. The results of the '63 season are evidence of the future success of Gymnastics as a winter sport in North Babylon High School.

Indoor Track

The Indoor Track team is another supplement to North Babylon's sports program. Because of the strong interest and support given to the spring track season, a winter team has been organized under the direction of Mr. John Harmeling and Mr. John Notheis. The team is competing with high schools throughout Nassau and Suffolk.

On February 11, at the Commack Arena, the harriers set their mark by placing third in the Suffolk County competition. At the meet Tom Gazzo placed third in the two-mile run with a time of 10:16. Dennis O'Neil placed second in the half mile run and Mark Spelman placed fifth in the one-mile run. One of the biggest events for the Harriers was the shot put in which Lenny Hersh set a new unofficial school record of 46 feet 5½ inches.

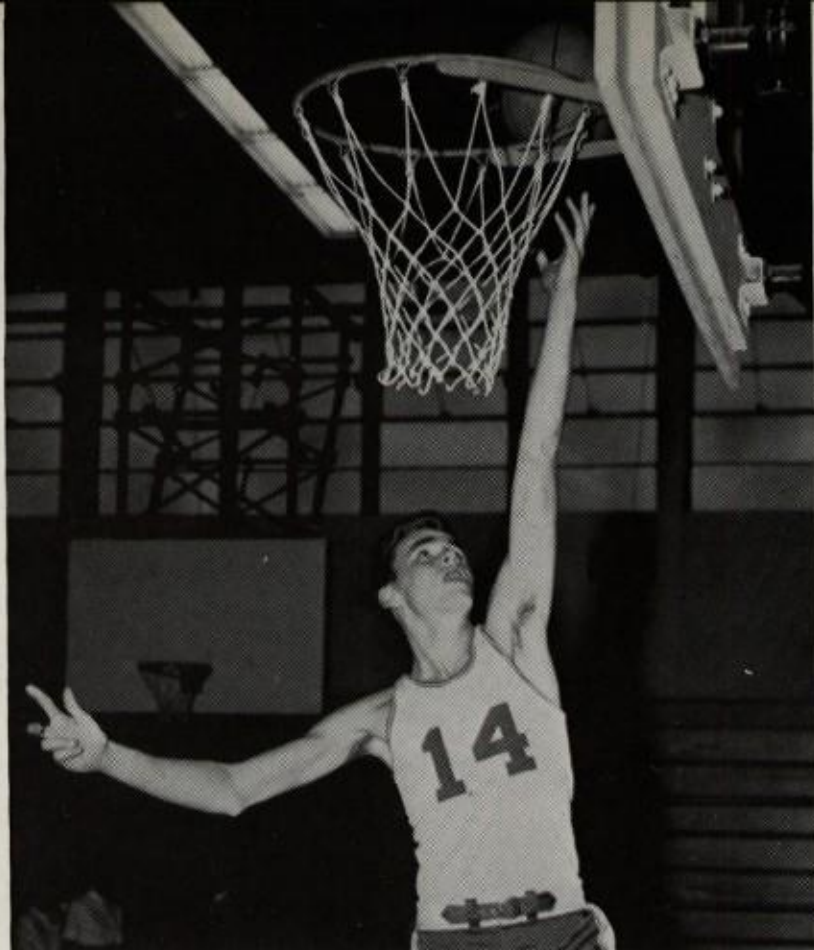

The one-mile relay team consisting of Rodney Thompson, Paul Bernado, Ronald Thompson and Jeff Moore placed second in the Suffolk section of the event. Not only have the trackmen supplemented the winter schedule with a new team which has proved to be a strong competitor, but also they have added a running asset to the spring track season.

Basketball

Once again as the leaping excitement of the gymnasium bleachers reached its summit and a profusion of spectators crammed the courts, the North Babylon Cagemen opened another season.

In their fourth year of play the varsity under Coach Brendan McCann's leadership finished the season with an overall record of 4-14 and a 3-11 League A-1 record finishing in seventh position in the league. The high scorer for the year was co-captain George Wolfort who averaged 13.6 points per game finishing the season with an outstanding 231 point total. J. Pellicane, the only sophomore on the varsity, averaged 10 points per game with a final total of 180 points. Frantzen finished with 124, Bongiovanni with 107 and co-captain Shauer with 94 points.

Under the coaching of Mr. Michael Cavalieri the J.V. Cagemen ended their season with an impressive 8-18 record. Showing great potential throughout the year, they will be top contenders for the varsity in '64.

Beginning their third year of Varsity competition, the North Babylon Grapplers accepted the challenge of their strong AAI league competitors. Faced with the loss of many experienced wrestlers, the team's hopes were pinned on needed support from the underclassmen.

Under the leadership of Head Coach Harold Mahoney the team ended its season with an overall 7-4 record and a 6-1 league record, finishing in seventh place position in league standings.

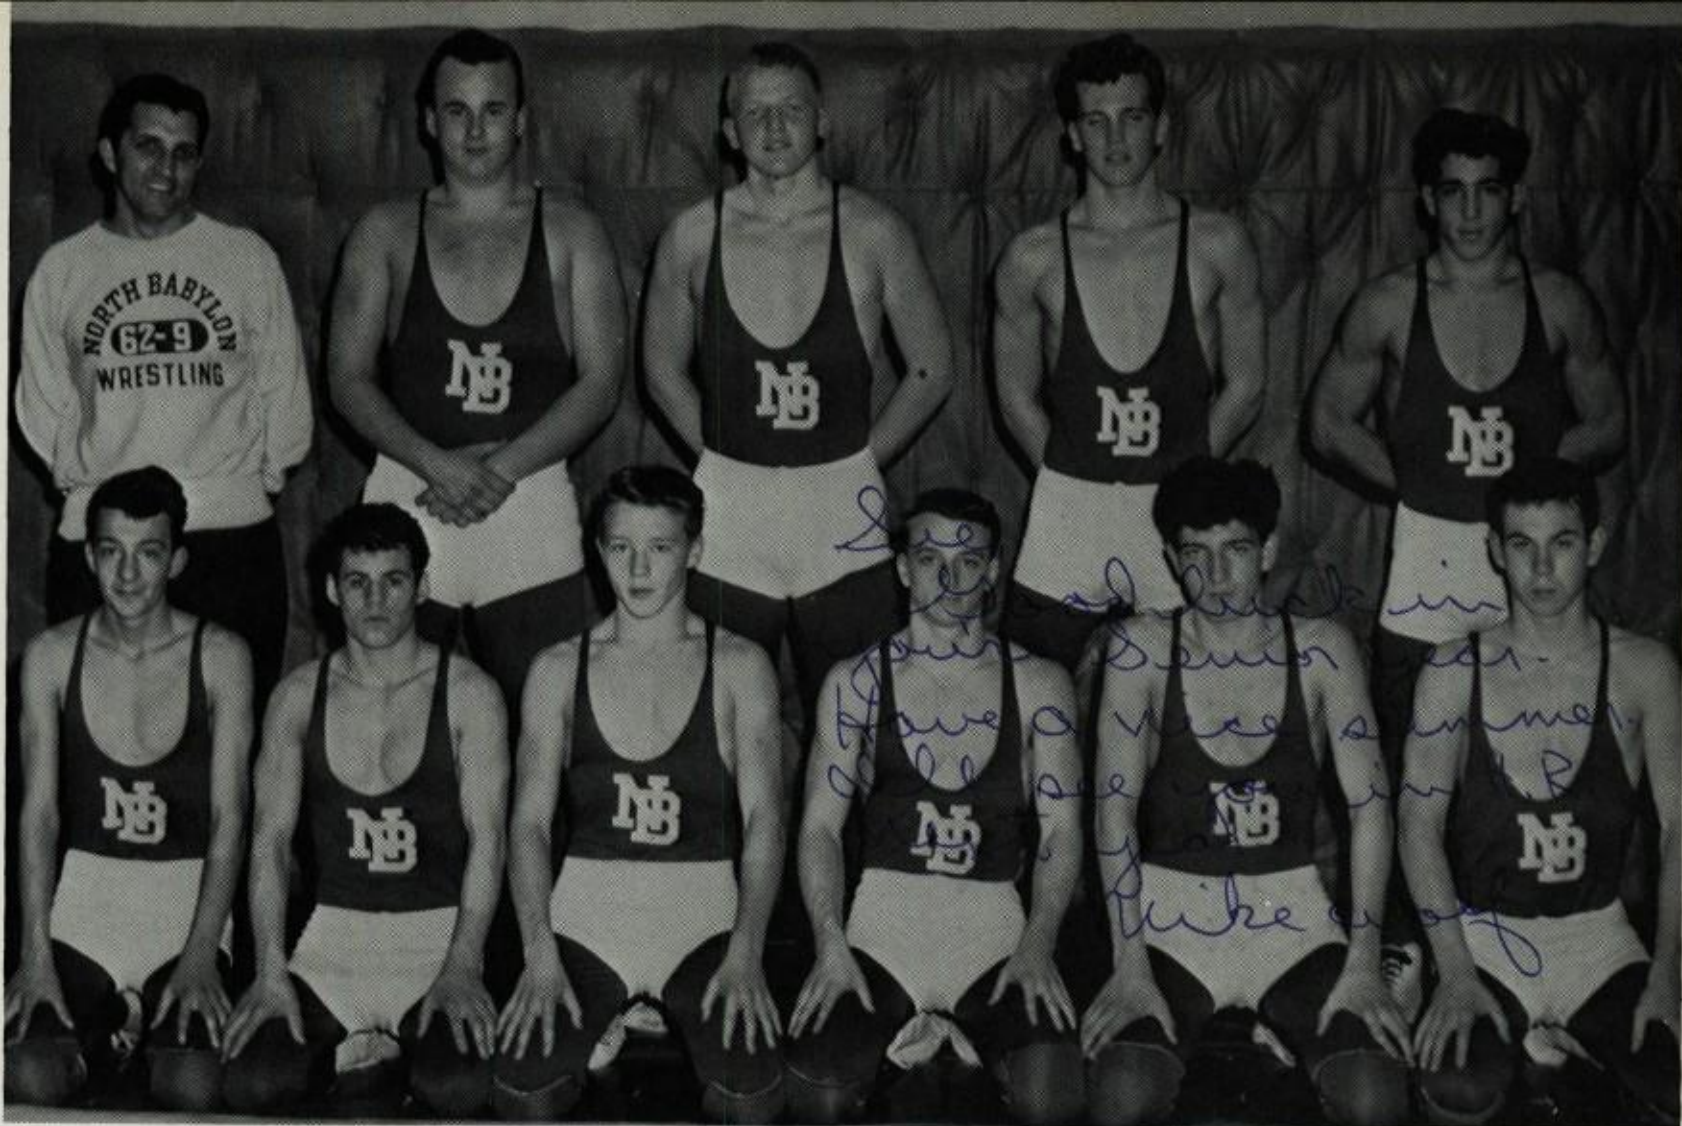

Throughout the entire season the Torma brothers showed outstanding performances which gained for them exceptional records. Steve ended the season with a 10-1 record while Tom finished with a 9-1-1 record. In the AAI league tournaments Tom Torma won second place

Showing the most improvement over the season were Norman Shaw and Bob Lai. With Mr. Roland Cartier as assistant coach, the J.V. ended the season with an impressive 6-4 record.

The development of a strong squad requires not only good coaching but also strong support from the students. Wrestling is an individual sport which demands hard work and courage. However, it affords tremendous satisfaction to the wrestler and to the spectators when its skills have been mastered.

Bowling

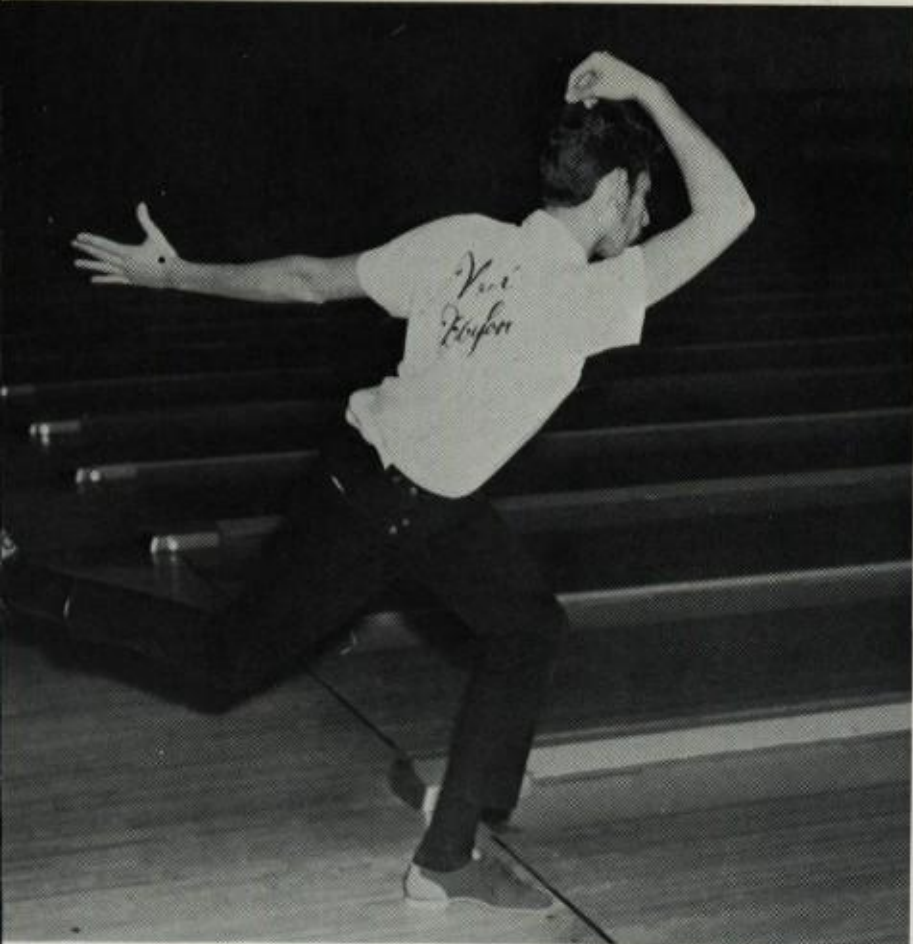

North Babylon's Keglers again made history this year by becoming the first team in Suffolk County to win a League and County Championship for a third consecutive time. Slightly handicapped by the psychological disadvantage of having to uphold an excellent record, the squad under Coach Russel Camarda's gentle encouragement and persuasion shook off their anxieties and knocked down a commanding 30-6 record in League I.

Anchorman Ed Cordes not only led the Keglers with an impressive 186 average but also gained the highest score of 638. Dennis Dragonette's 257 was the highest wood for a single game while Ed Cordes scored a close second of 256 pins. Support from the remaining team members Joe Vernon, Don Fischer, Bob Kross and Bill Daly also aided greatly in accomplishing this almost incredible feat.

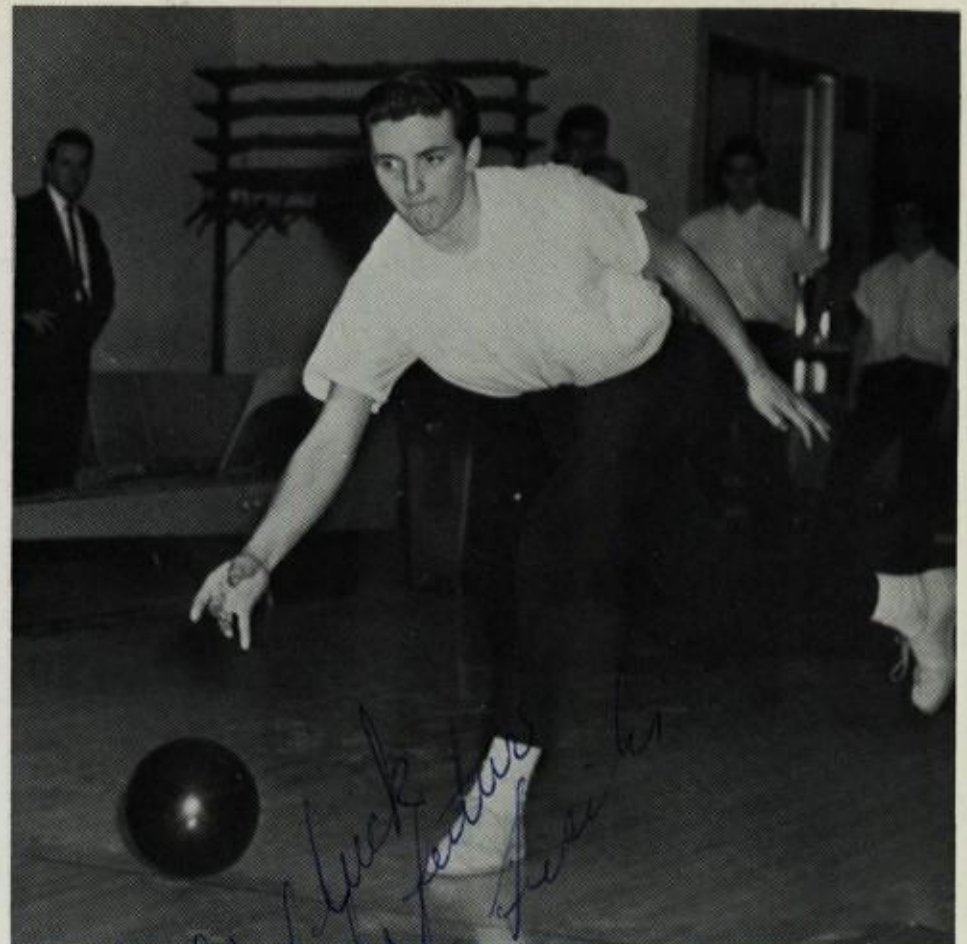

Since the team will suffer the loss of only one regular, Bob Kross, because of graduation, the suspense in connection with next season is already beginning, and loyal North Babylon fans are predicting a fourth clean sweep of County bowling honors.

Baseball

Once again as the vernal season approaches with its lush green fields, the spring workouts for baseball are already underway. That All-American pastime has begun again. The excitement of home runs, loaded bases, and three-two counts dominates the sports scene till early fall.

The North Babylon locker room is no exception. Last year the North Babylon sluggers finished their season with a four to six league record, losing their last game to Patchogue 2-1 in eleven innings. Throughout the season significant records were set. Frank Riggi led the team with a league batting average of .363. Chipper Morton, best centerfielder in the league, had half of the total number of home runs made by the team.

Proving their ability in last year's games left fielder Joe Santomartino, center fielder John Fleming, shortstop Paul Bongiovanni, together with second baseman Jerry Bowman and catcher Tom Cramer seem to be hot prospects for the '63 season.

Cindermen Smash Six School Records

Under the coaching of Mr. John Harmeling, the North Babylon Cindermen finished their second year of varsity competition with a winning season. Despite defeats rendered by Lindenhurst, Huntington, and Port Jefferson, the Bulldogs had a league record of four wins and three losses and an overall record of five and three.

The outstanding result of last year's season is the fact that new school records were set in all six field events. Frank Cannata tossed the shot forty-three feet, six inches. John Christman and Bob Pisano vaulted ten feet, six inches. Frank Le Mieus hurled the discus one hundred twenty-five feet, eleven inches. Mike Krauthamer broad jumped nineteen feet, seven and one half inches.

With a loss of only five of its members, the team has high expectations for the '63 season. Relying on the experience of such seniors as Moore, Pisano, Jesaitis, and Cannata, and assisted by the determination of the many juniors and sophomores, the Bulldogs are looking forward to another winning season.

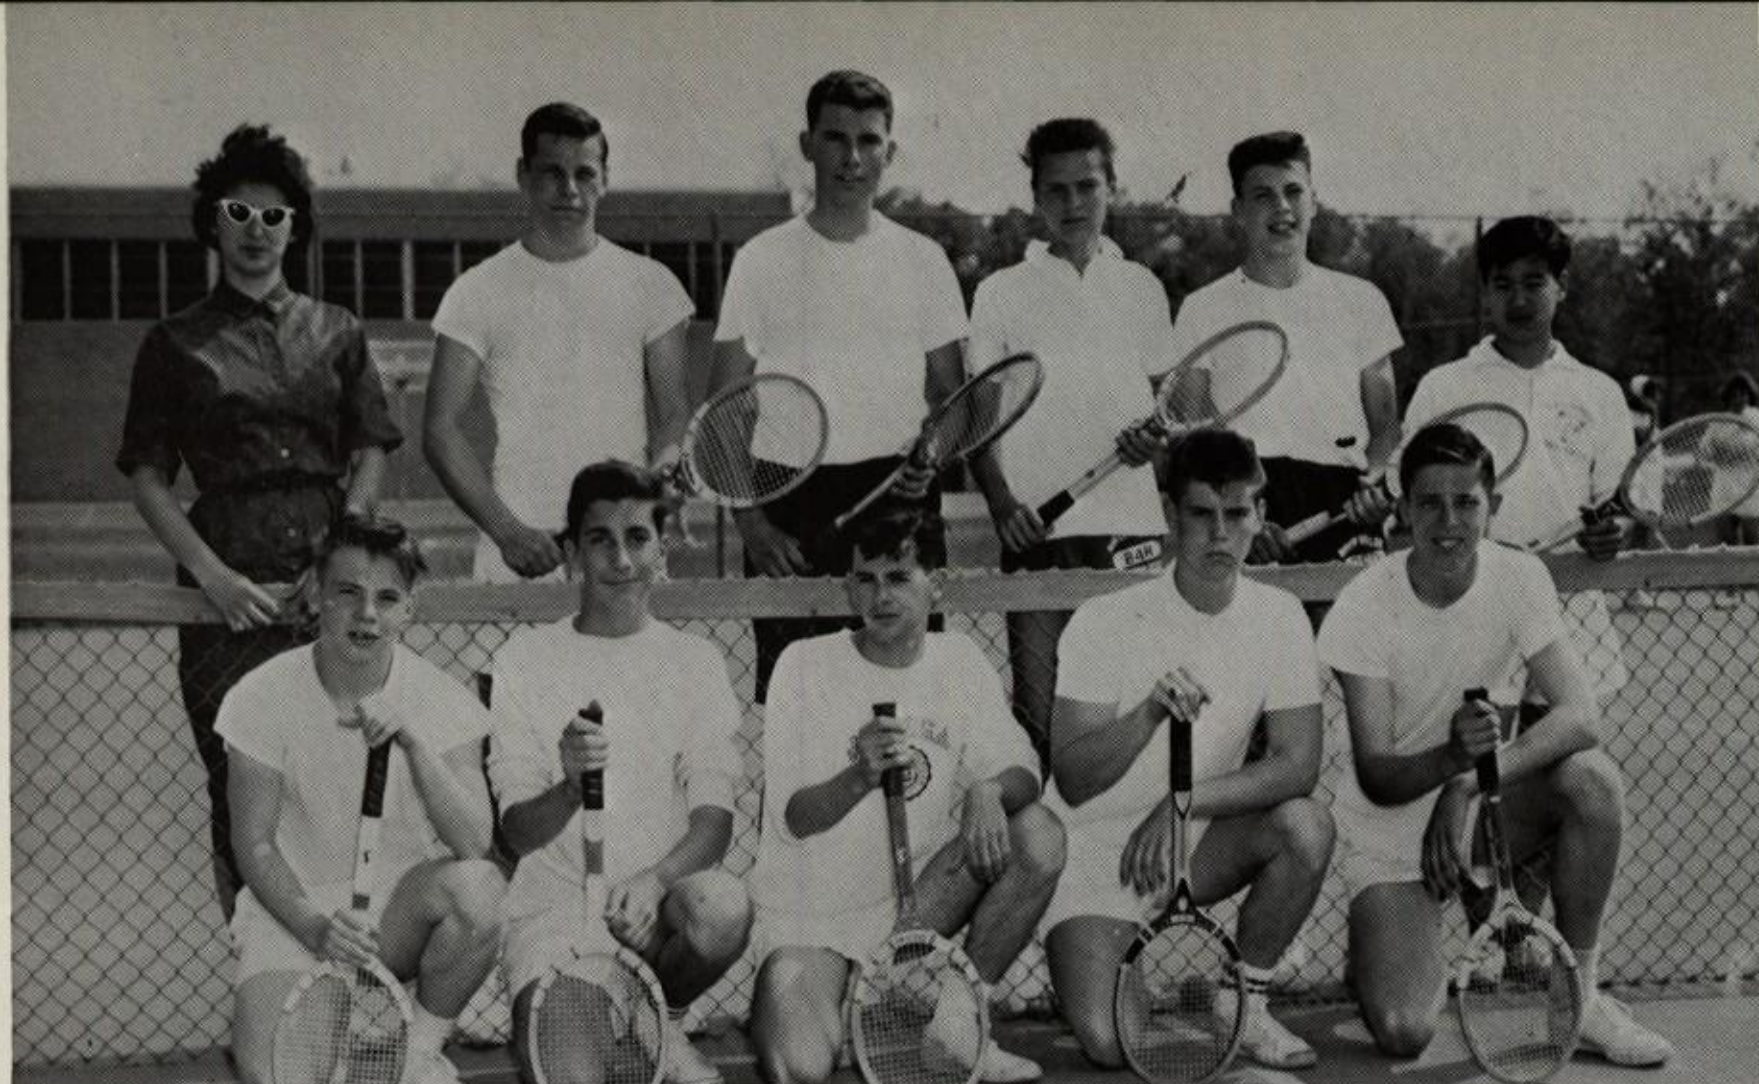

RELAY TEAM

The biggest events for the North Babylon track season have been the relay races. The team's four best sprinters, Ron Emanuele, Mike Krauthamer, Jeff Moore, and Frank Quinane copped first place in the 880 yard relay races at the Suffolk County Relays with a time of one minute, thirty three point eight seconds. The team ended the season placing fourth in the county.

Opening its '62 season with strong determination and expert leadership from its capable coach, Miss Margaret Micciche, the North Babylon tennis team began its second year in Suffolk's strong A-1 league competition. Although inexperience limited the team's success, the netmen profited from facing their tough opponents. Jim Costello and John Soika played outstanding doubles, winning nine out of thirteen matches. Relying on the performances of such netmen as Cassidy, Suga, Costello and Larsen and bolstered by increased interest and support, the team hopes for a better season in '63.

However, bearing determination, patience and immense good will handily in their bags this year's linksmen are sure to acquire the experience and skill required for a strong golf squad. Mr. Schultheis also hopes that as the success of the team advances, more and more North Babylon boys will become interested in this highly rewarding sport that can bring pleasure and health to the participant for the rest of his life.

Barbara Wilkens (*Left*) attempts to get control of the ball from K. Milazzaby use of a circular tackle

This sport is to the girls what football is to the boys, an exhausting game, but one on which our North Babylon girls pride themselves. Most important is the enjoyment they receive and the good sportsmanship the shinguarded, hockey-stick laden girls get from the game. In addition, the N.B. school honor team placed second at the Playday held at Heckscher State Park.

The scores were:

N.B. vs. Central Islip	
1	0
N.B. vs. Northport	
2	0
N.B. vs. Huntington	
0	0

Thus this fall sport was a success, and with the many promising underclassmen, it will continue to be.

Volleyball

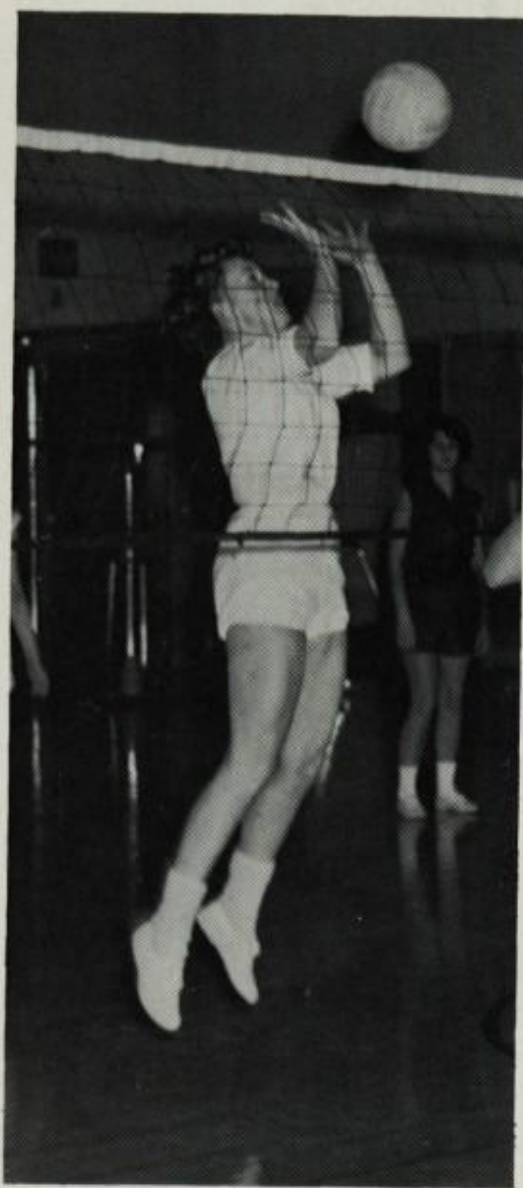

It is easy to acquire enough playing ability to enjoy volleyball, and many girls go out for this game during the school year. However, it takes much more time and practice to become proficient enough to be a part of an honor team. Intense practice on the part of our N.B. girls prepared them for the inter-scholastic meets. At these meets the girls were completely victorious.

However, the playday held at Port Jefferson proved to be something of a disappointment. The let-down occurred after beating Brentwood and Sachem, for they were on the losing side of the records against West Islip. The scores were:

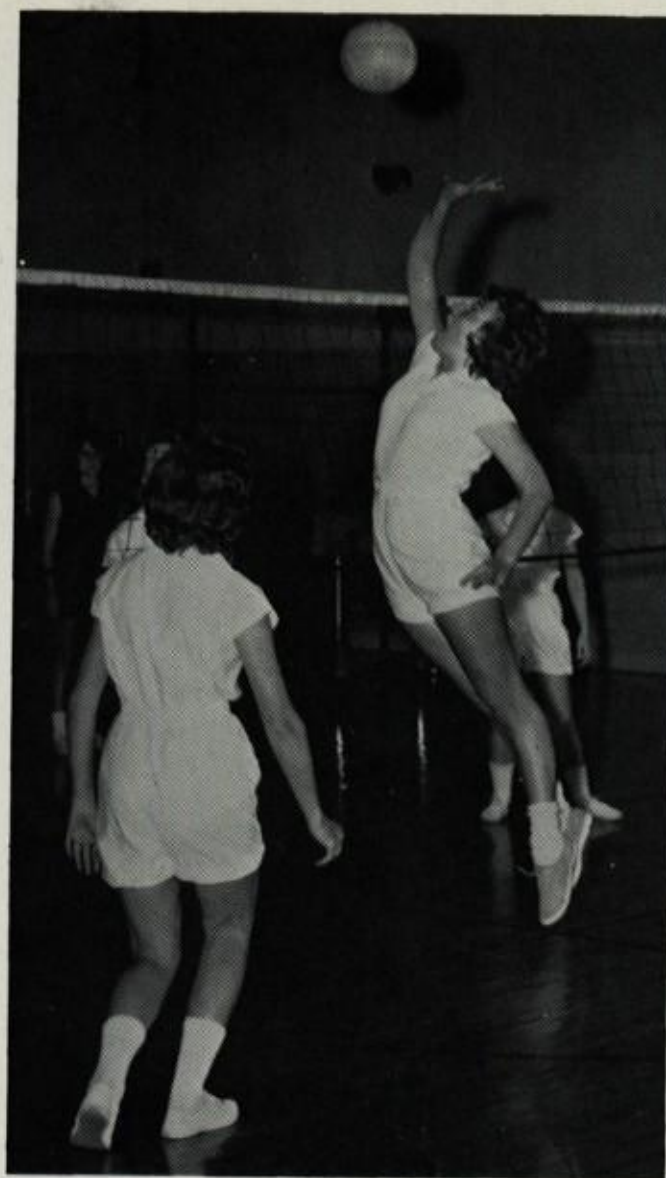

N.B.	vs.	Brentwood
15-		0
15-		1

N.B.	vs.	Sachem

Basketball

Because of changes in the rule-books of girls' basketball, the game is becoming as vigorous and demanding as the boys' version. Last year the dribble was increased, allowing greater distances to be covered by each player. This year, however, the most progressive alteration was initiated—roving players! Each team is allowed to have four players at a time on half of the court. This replaces the former setup of three set forward and three set guards. Confusion can easily arise during playing time concerning who will rove and who won't. The way the N.B. girls have solved this dilemma is to assign two rovers before each game. Anyone who is a rover must be adept at sinking the shots and playing defensively and must possess a great deal of endurance. The N.B. girls showed their approval of the "new" game even at the start of the season when they easily defeated West Islip in two consecutive games. Much ability was exhibited throughout the entire season, and it seems our girls are pleased with results of playing under revised rules.

The girls focus their attention on Miss Mullin as she gives them a few pointers.

Right: (on the horse) Marilyn Mincey, spotted by Joan Schweithelm and Henrietta Brooks, demonstrates a head stand fit for any camera's eye.

Aches and pains were a part of this year's gymnastics program, but soon after the season's start, the girls strengthened and coordinated themselves for the tumbling and apparatus work. New additions to the equipment presented even more variety to the specific area the girls could concentrate on.

Two main pieces were the Uneven Parallel Bars and the Balance Beam. Coordination and agility are especially needed when on the bars. To be successful on the beam, one must be fearless yet cautious since anyone performing on it is 5 feet above the ground, and the beam is only 4 inches wide. "Free exercise" was an attraction to many girls. It is a combination ballet-tumbling routine, and to add to the difficulty, it is usually executed in harmony with music.

Preparing the body, gaining confidence, and practicing gymnastic work is not easy; but the self satisfaction of being able to perform gracefully and the fun in doing so is worth it all.

The girls are tumbling . . . that is what mats are for!

Karen Hartmann belts another out as Lorraine Michels rounds third heading for home.

Handicapped by the loss of graduates, this year's girls' softball team did not bat their way to victory in interscholastic games. The records show four losses and one win. Nevertheless useful team cooperation on the field and individual batting skill developed, and a successful Honor Team was produced.

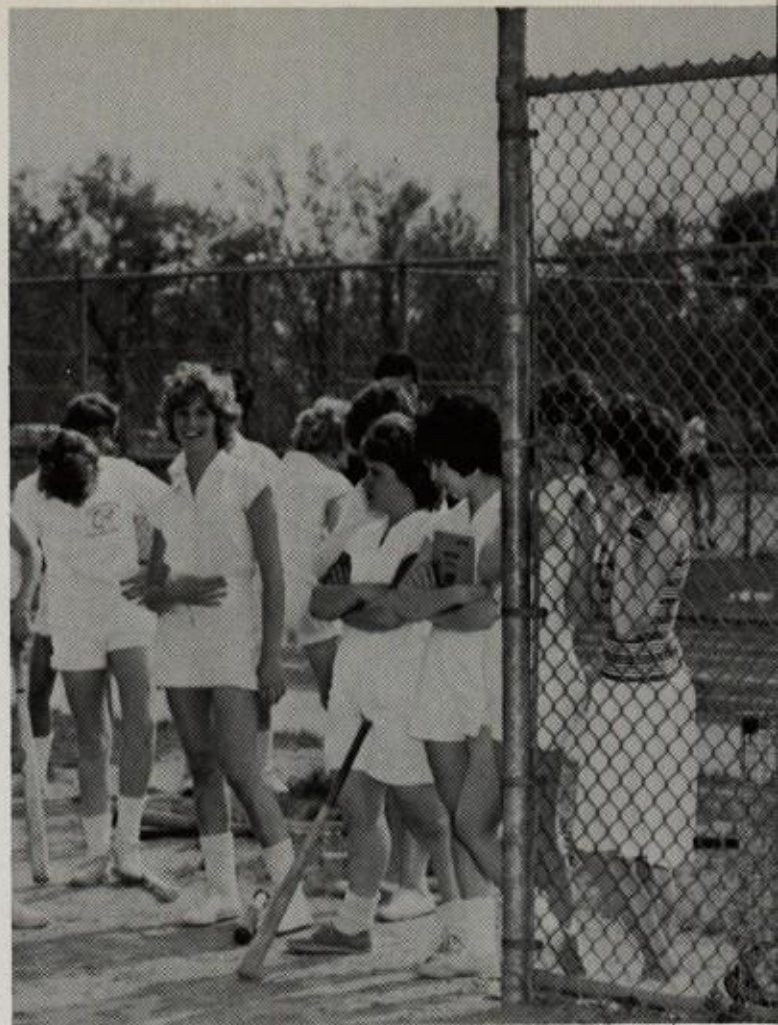

At Playday competition, the N.B. Honor Team earned third place. Spirit and determination were exhibited by all. The girls beat West Babylon and Lindenhurst, but they lost to South Huntington. However, a winning season for next year has been promised by the team.

INTRA-MURAL TEAM

SOFTBALL

Merry Rizzo, Marsha Kall, and a smiling Sue Morris look on during an interscholastic game.

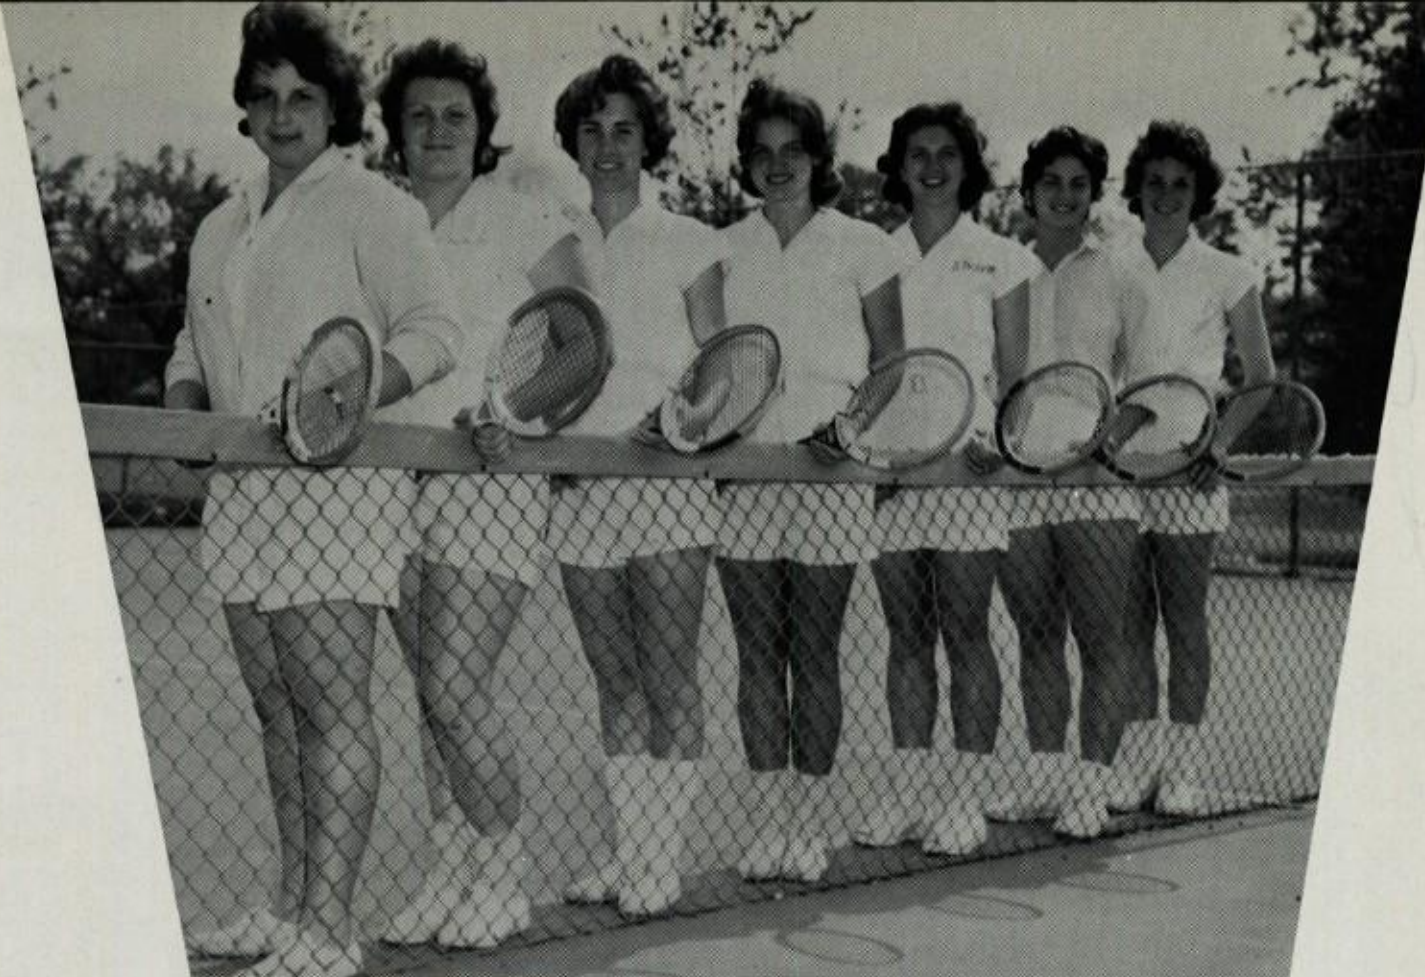

At the springtime Sports Day held at Huntington High School, no strikes were spared by Jean Lebowitz as she bowled her way to first place in a field of top-notch competitors. "You can't win 'em all" but N.B. came as close as it could with many second-place winners.

Representing our school in tennis were Elsa Loren in singles, and Elaine Polino and Laura Chassy in doubles. In badminton the "loner" was Karen Hartmann, and doubles players were E. Babb and Marilyn Mincey. A long softball throw of 185 feet brought a 2nd place ribbon for Marshal Kall.

SCHOOL HONOR TEAM

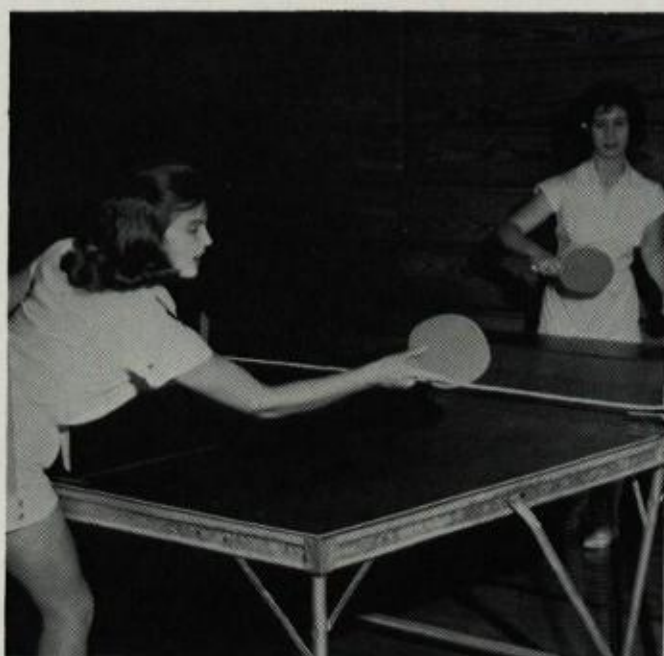

(L-R) Bottom Row: B. Lindner, J. Roscigno, M. Kall, K. Hartmann, E. Babb, M. Brunkhurst, J. Daly; Top Row: S. Morris, M. Mincey, L. Chassy, A. Weldon, L. Michels.

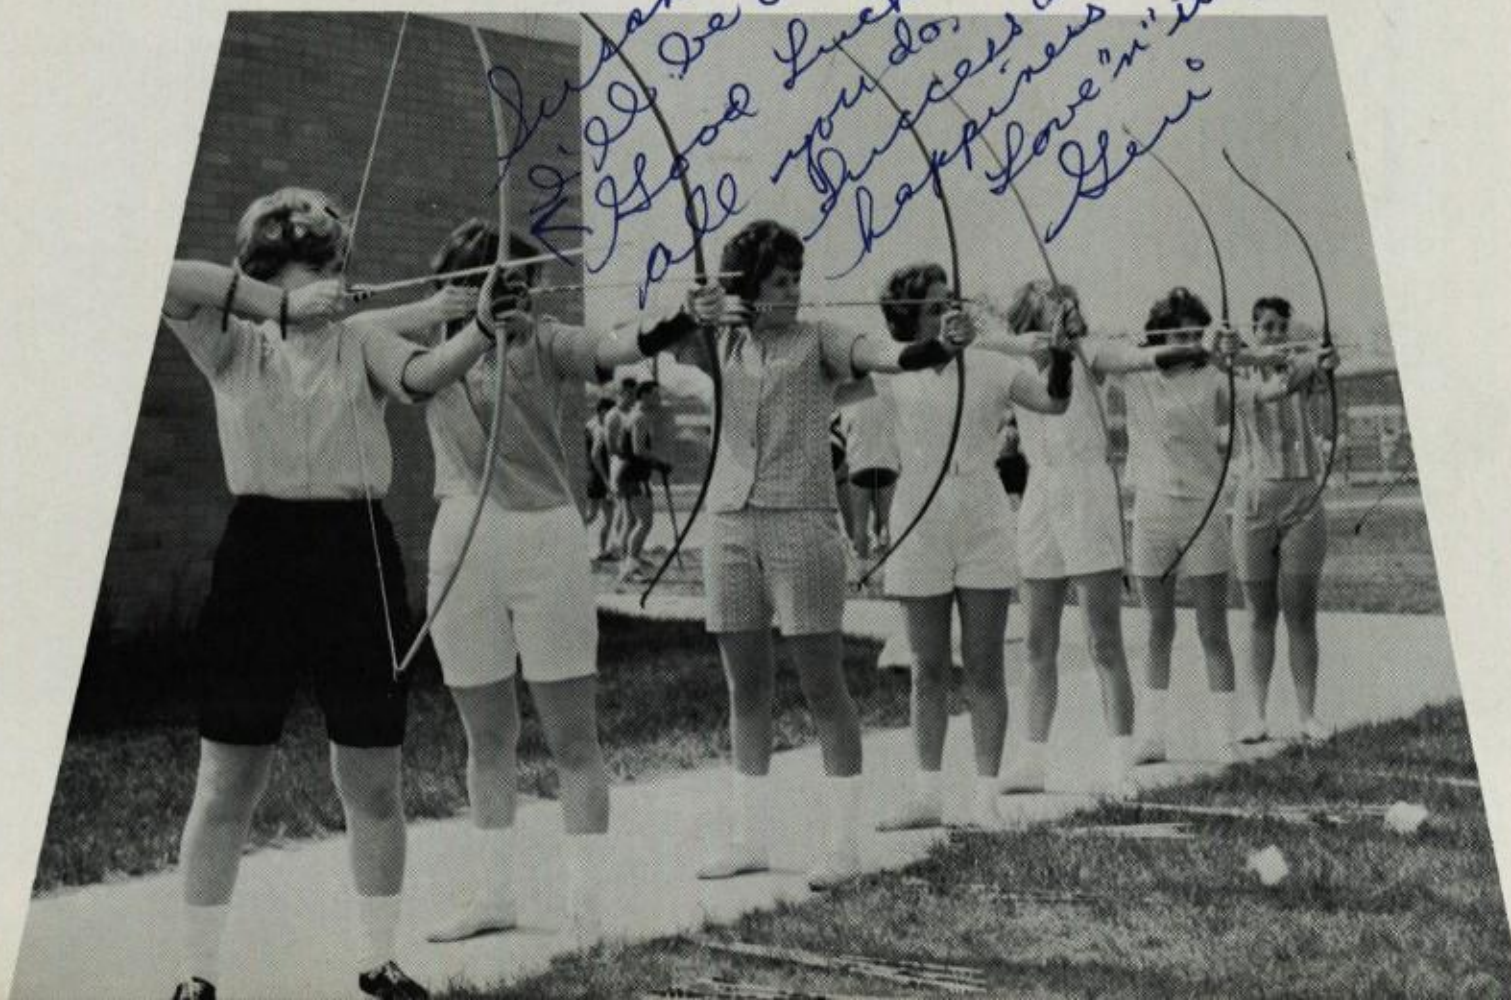

Tennis (L-R): L. Chassy, M. Ott, J. Chliviny, J. Latsch, B. Boehm, E. Polino, E. Loth; *Absent*: N. McGee.

Ping-Pong: Judy Bongiovanni awaits a soft return from JoAnn Latsch.

Bowling: L. Martin figures out her bowling average as J. Leibowitz, L. Hill, and E. King watch.

On target? Ready . . . Aim . . . (L-R): L. Fischer, G. Kelly, J. Hood, M. Cottler, C. Ovens, C. Kelly, N. McGee.

THE WORLD IS YOUR OYSTER!

You've reached a milestone, achieved a major goal! And, everyone at Suffolk County Federal congratulates you on your success. Your future is just opening before you—college, a career, service... Later, marriage, children, a home.

It is the future, your future, that we at Suffolk County Federal care about, how we can be of assistance. A savings program, started now, will go a long way in making your future goals attainable. Later, when you're ready for a home of your own, Suffolk County Federal will be at hand to make that dream come true, too.

Yes, the world is your oyster... Suffolk County Federal can play a part in keeping it that way.

lots of luck, Sue
John

Dear Sue,
To the sweetest
girl I've ever met.
You'll make a wonderful
nurse I'm sure, and
make alot of people well and
happy. Best of luck Sue!
I'll always

To Sue,
 I will never, ever
 get over the ~~one~~ stupid
 mistake we made in Chem.
 Lab. - but it was so much fun.

I doubt if
 the same.

Good Luck Sue,
 with your warm personality,
 you'll make a very good nurse.
